# Adobe Photoshop Workspace

Instructions

Use this Graphic Organizer to take notes on the Adobe Photoshop Workspace. Label all parts of the workspace, you will be expected to know these in life and on a quiz.

A: **Tool Palette**

B: Start workspace (not in our current version of PS, but we are updating soon)

C: **Options Bar**

D: **Menu Bar**

E: **Docked Pallets or Layers Palette**

F: not in our version of Photoshop

G: **Foreground/Background colors**

For this next section you will label the keyboard shortcuts, you will be expected to know these and they will be on the quiz.

CTRL is the Control Key located next to the Windows key on the keyboard

CTRL + A = **Select All**

CTRL + S = **Save**

CTRL + C = **Copy**

CTRL + V = **Paste**

CTRL + Z = **Undo**

CTRL + SHIFT+Z = **Multiple Undo (more than one step)**

CTRL + J = **Layer via Copy**

CTRL + SHIFT + N = **New Layer**

Identify the tools listed by number in the diagram on the next page.
