## FREQUENTLY ASKED QUESTIONS 2017-2018

**I would like to tour Ponaganset High School before deciding whether to apply. Is there a way for me to schedule a tour?**

Yes, we encourage prospective students to attend our annual open house. For more information, please visit <http://www.fg.k12.ri.us/OpenHouse>. In addition, students may sign up for one of our periodic tours throughout the year. For specific dates and times please contact the Ponaganset High School Admission Department by telephone at 401-710-7579 or by email at [admissions@fgschools.com](mailto:admissions@fgschools.com).

**My family lives outside of the Foster-Glocester School District. What are the tuition costs associated with attending Ponaganset High School?**

For Rhode Island students, tuition costs are covered by the school district where you live. Students from outside of Rhode Island are not eligible to have the tuition paid by the district where they live. The tuition cost is the per-pupil expenditure.

**What college and career pathways are offered at Ponaganset High School?**

Currently there are seven pathways offered at Ponaganset: 1) Animal and Plant Sciences, 2) Biomedical Science, 3) Computer Science and Information Technology (includes projects on Gaming), 4) Pre-Engineering (includes Robotics and a competitive Robotics Team), 5) Materials and Manufacturing, 6) Music and Performing Arts (includes Music Technology), and 7) Visual Arts.

**Once I choose to enroll in a specific pathway, am I required to remain in that pathway for the duration of my time at Ponaganset?**

Pathways are designed for a minimum of three years (preferably four years) of instruction and hands-on learning so students have the opportunity to acquire the knowledge and skills necessary to seek college credit and/or industry certifications. Pathways are flexible, and students may choose to leave a pathway and enroll in a different pathway.

**Is transportation provided to out-of-district students?**

Transportation is provided for all in-district students, as well as for out-of-district students residing in Scituate, Coventry, Warwick, West Warwick, and East Greenwich. Students residing in other towns may attend Ponaganset and are responsible for their own transportation. We have ample parking for students outside of the transportation zone. For more information about bus transportation to and from Ponaganset High School, please visit <http://www.fg.k12.ri.us/transportation>.

**What does the application process and timeline look like?**

Students who reside outside of the Foster-Glocester School District must submit an application to attend PHS. Applications are available on our website at: <http://www.fg.k12.ri.us/apply>.

Early Acceptance applications are due by December 30<sup>th</sup>. Qualified Early Acceptance Enrollment students who apply by: 1) October 30<sup>th</sup> are notified of preliminary acceptance by November 15<sup>th</sup>; 2) November 30<sup>th</sup> are notified of preliminary acceptance by December 15<sup>th</sup>; and 3) December 30<sup>th</sup> are notified of preliminary acceptance by January 15<sup>th</sup>.

Open Enrollment applications are accepted from January through March 31<sup>st</sup>. Qualified Open Enrollment applicants who apply by March 31<sup>st</sup> will be notified of preliminary acceptance by April 15<sup>th</sup> and be notified of full acceptance within 2 weeks after we receive a complete application packet. Acceptance will be on a first-come, first-served basis when space is available.

Late Enrollment applications are accepted from April through the school year. Qualified Late Enrollment applicants will be notified of preliminary acceptance on an ongoing basis (approximately every 2-3 weeks) after receiving a complete application packet. Acceptance will be on a first-come, first-served basis when space is available.

## **What types of athletics, extracurricular, and co-curricular opportunities exist at Ponaganset High School?**

Ponaganset offers a wide variety of extracurricular activities that allow students to explore their interests. Students are also active in co-curricular activities to supplement their coursework. To view more details about our extra- and co-curricular opportunities, please visit <http://www.fg.k12.ri.us/extra-co-curricula-HS>.

Ponaganset offers 25 athletic teams. To view more details about our athletic program, please visit <http://www.fg.k12.ri.us/athletics>.

## **I live outside of the Foster-Glocester School District. Must I notify the school district in the community where I live that I may attend Ponaganset High School?**

You do need to notify the district of residence if you decide to submit a formal application to attend our school district. This is necessary because the district where you live will be covering the costs of tuition if you are eligible to attend and they need to properly budget the cost. Please note that under current regulation, the district of residence may not prohibit you from attending a pathway in our school district.

You do not need to notify the school district where you live to obtain information about our pathways, attend an open house, take a tour of our campus or explore the possibility of attending our school district.

## **When is drop-off and pick-up?**

Students can be dropped off any time after 7:30 a.m. The first class begins at 7:48 a.m. Dismissal is at 2:15 p.m. For more information on drop-off and pick-up, please see the student handbook.

## **How would you describe the culture at Ponaganset?**

Our Ponaganset Pride is evident from the moment you step on campus. From students sporting their Ponaganset green, to an overwhelming dedication to and involvement in the school community, Ponaganset features a comfortable learning environment that enables students to explore and cultivate their passions. As a result, students are better prepared to succeed at fulfilling their future endeavors.

## **What is a typical class size for grades 9-12? What is the student-to-faculty ratio?**

The overall student-to-faculty ratio is 11:1. The typical class size, depending on program of study and student interest, ranges from 16 - 22 students per class.

## **I am attending private school and/or I am being home schooled. Do I need to notify the school district in the community where I live that I will attend Ponaganset High School?**

In order for you to be accepted into one of our pathway programs you will need to contact the district where you live, prove residency, and enroll in the district. They will then enter you in their student information system as an out-of-district placement. This is necessary because they will be covering the costs of tuition and need to record you as a student in their district in order to receive funds from the State of RI.

You do not need to notify the school district where you reside to obtain information about our pathways, attend an open house, take a tour of our campus or explore the possibility of attending our school district.

## **Can I apply to attend Ponaganset High School online?**

We prefer that you apply online. You can do so at [www.fg.k12.ri.us/apply](http://www.fg.k12.ri.us/apply).

For more information please call 401-710-7579 or email [admissions@fgschools.com](mailto:admissions@fgschools.com).
