

Physics Class Intro

Physics Daily Slides: August 26, 2023

Agenda

1. Introductions
2. Classroom Procedures
3. What is science?

Warm Up

When you hear the word "science" what do you think of?
List everything you can think of!

Materials

- ☐ Notebook
- ☐ Pencil/Pen

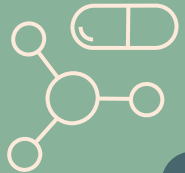

Reminders

- ☐ Bring your charged Chromebook to class daily (you may not use it every day)

When you
hear the word
science what
do you think
of?

What does good
communication look
like?

Physics Daily Slides: August 27, 2024

Agenda

1. Warm Up
2. Logic Cubes

Warm Up in Notebook

- ❑ What does good communication look like to you? List 5 different qualities.
- ❑ Who in your life is a good communicator?

Materials

- Notebook
- Pencil

Reminders

- Bring your charged Chromebook to class daily

Physics Daily Slides: August 28, 2024

Agenda

1. Warm Up
2. Logic Cubes
3. Science Cubes
4. What is Physics?

We will use
Chromebooks next
Tuesday in class.

Warm Up in Notebook

- ☐ What was something challenging about your Logic Cubes?
- ☐ What could help you solve them?

Materials

- ☐ Notebook
- ☐ Pencil

Reminders

- ☐ Bring your charged Chromebook to class daily

Physics Daily Slides: August 29, 2024

Agenda

1. Warm Up
2. Science Cubes
3. What is Physics?

Warm Up in Notebook

- ❑ Take out your Science Cube from yesterday's class
- ❑ You have ten minutes to complete your Cube!

Materials

- Notebook
- Pencil

Reminders

- Bring your charged Chromebook to class daily

LAB RULES

This is a **shared space** which means multiple classes use it throughout the day!

- ✗ Stay in your assigned area
- ✗ Don't wander or talk to other groups
- ✗ Do not touch any supplies that are not for your class
- ✗ Do not touch the gas lines

To DO

- Join our Google Classroom! J5LAOAA
 - Take the survey
- Login into PowerSchool
 - www.avondaleschools.powerschool.com/public/
or
 - avondaleschools.powerschool.com/public/
 - Login with your school Google Account

Physics Daily Slides: September 3, 2024

Agenda

1. Warm Up
2. Google Classroom
3. What is Physics?

GC Codes

1st- 20V3JBS

6th- J5LAOAA

Warm Up in Notebook

- ❑ Take out your notebook from Thursday on types of science and how they relate to physics.
- ❑ Which type of science you have explored relates to physics the most? Why?

Materials

- ❑ Notebook
- ❑ Pencil

Reminders

- ❑ Bring your charged Chromebook to class daily

Physics Daily Slides: September 5, 2023

Agenda

1. Warm Up
2. Standards Based Grading
3. Class Procedures
4. Class Onboarding

Warm Up in Notebook

- ☐ What are some things that scientists "do" in their work?
- ☐ What are qualities that scientists have that help them be successful?

Materials

- ☐ Notebook
- ☐ Pencil
- ☐ Chromebook

Reminders

- ☐ We start our first unit tomorrow!
