**Always read
lab directions
BEFORE
beginning an
assignment.**

Instructor, can
we handle the
materials now??

**Do not touch
or use any of
the lab
materials until
instructed to
do so.**

**WHEN YOUR
TEACHER**

**CATCHES YOU PERFORMING
EXPERIMENTS
W/O PERMISSION**

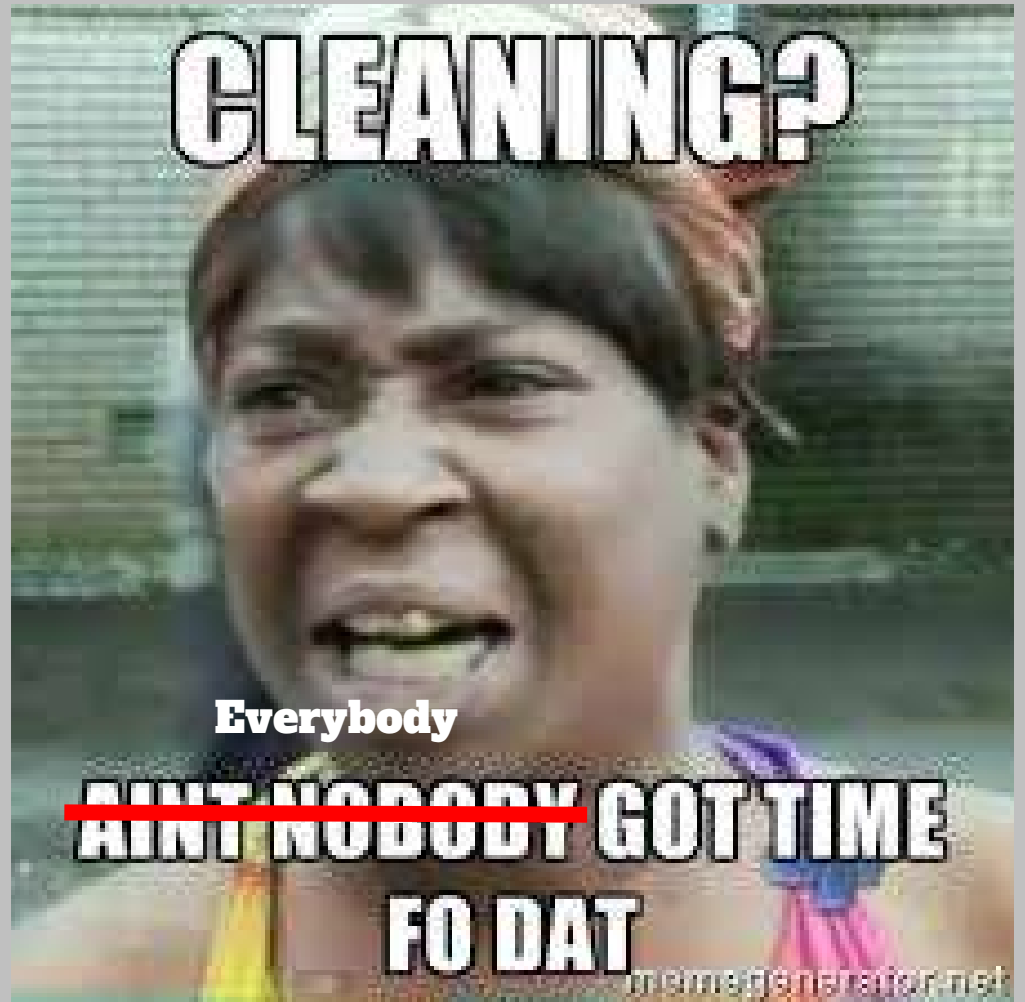

**Do not perform
experiments
without
permission. Ask
the teacher
first!**

Wear safety goggles and aprons when required.

Michael Jordan didn't wear safety goggles... don't be like MJ.

**Clean work
area when
lab
assignment
is
completed.**

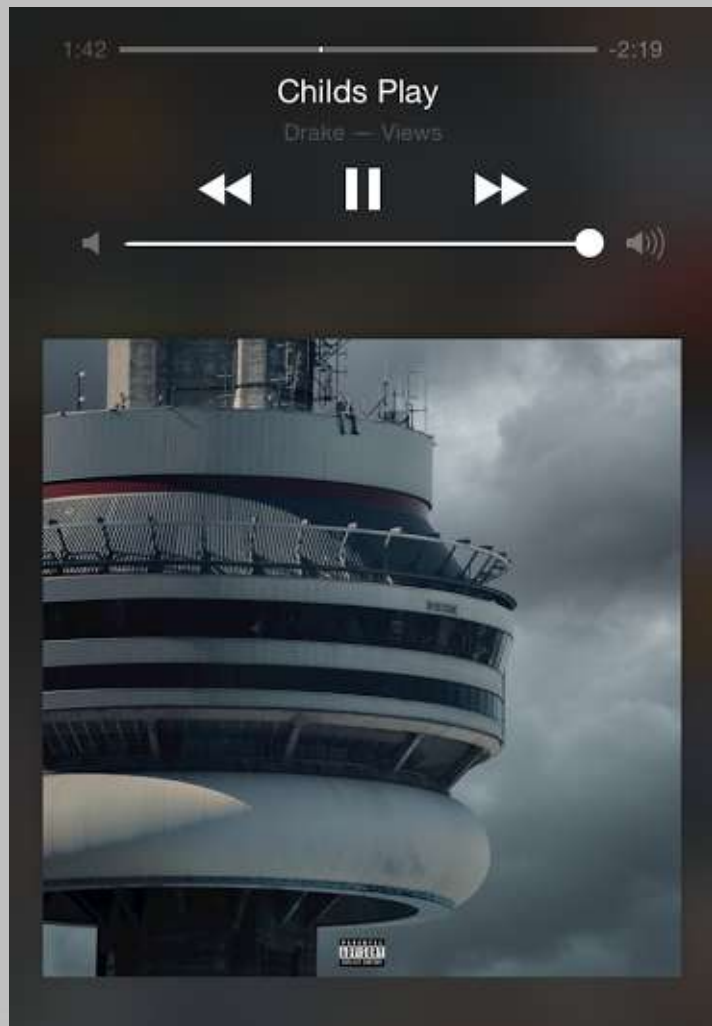

Know the location of lab equipment... or you will be sorry.

**Wash your
hands after
performing
all
experiments.**

and dangerous.

**Do not distract others
during laboratory
assignments. No *child's

A meme featuring SpongeBob SquarePants with a shocked expression, wide eyes, and an open mouth. He is wearing his signature brown belt and green pants. The background is a dark blue and red gradient.

WHEN ITS LAB DAY

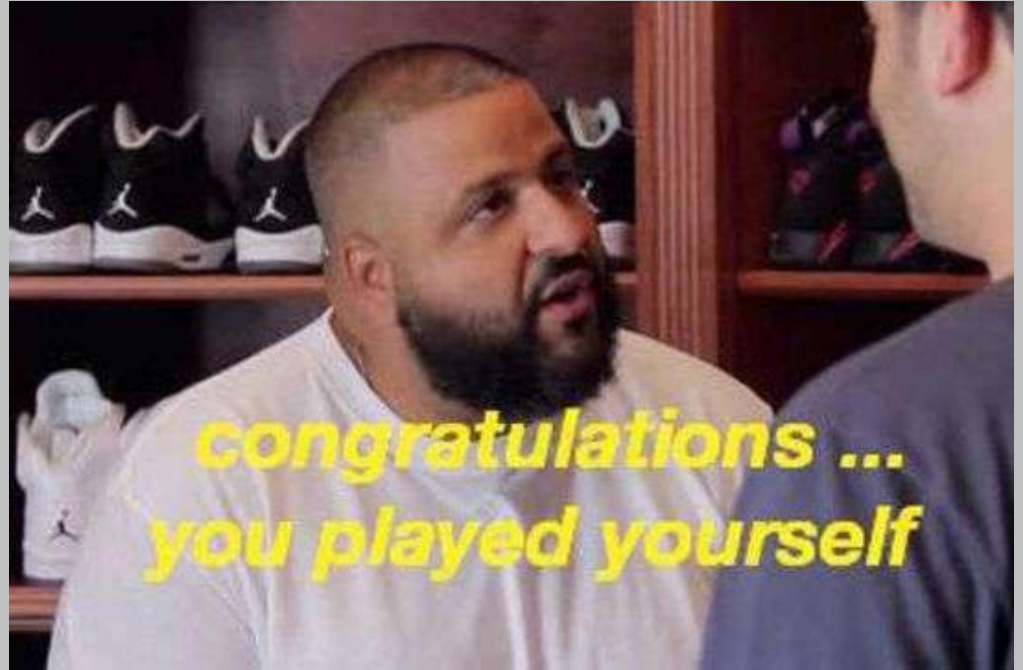

**AND YOU'RE DRESSED
INAPPROPRIATELY**

**Tie back long
hair and do not
wear dangling
jewelry or loose,
baggy clothes.**

**Do not
touch, taste,
or smell
chemicals
unless given
permission.**

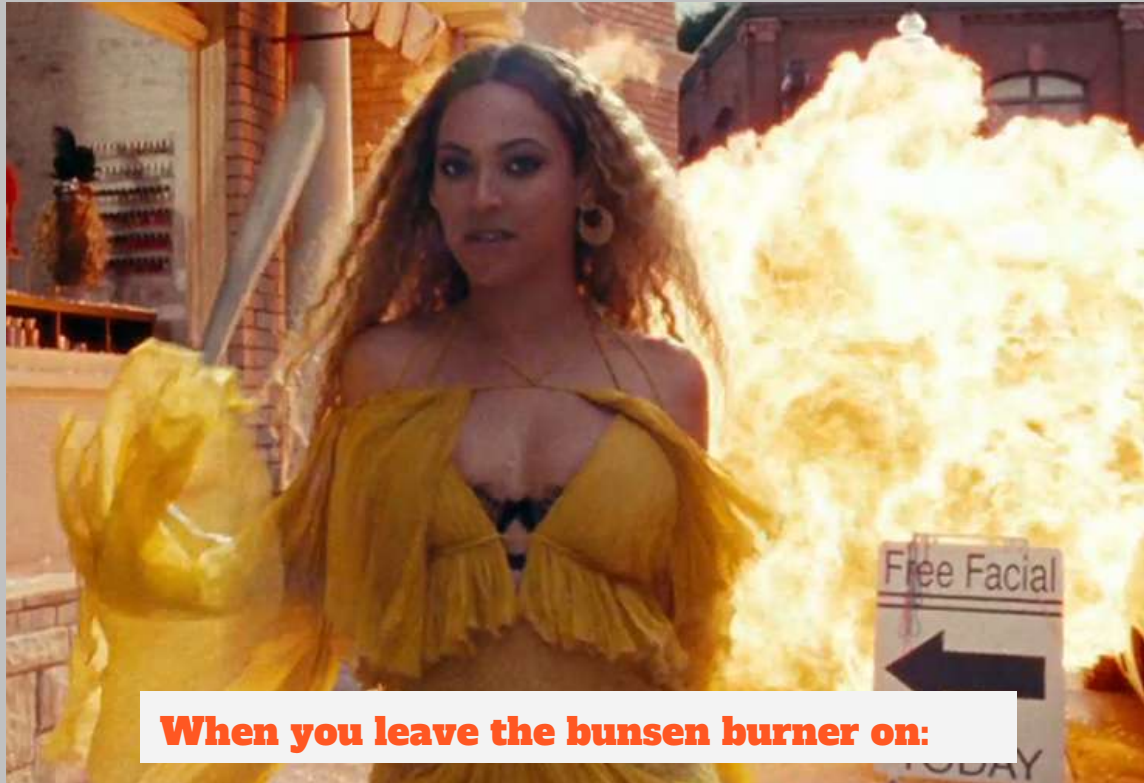

When you eat chemicals
without permission and die:

Do not use chipped or cracked glassware.

Never leave an experiment unattended.

When you leave the bunsen burner on:

Do not point anything being heated at yourself or anyone.

Put a stop to it
like LeBron did!

Use tongs or gloves to move heated objects, not bare hands.

Michael Jackson thought
gloves were cool.
