TWO Classic Game allowed for all sports except football. Only one Classic Game for football. The game will count on the overall record, but not on the tie-breaker.

The first junior high basketball game will be October 25. No basketball division games should be played until after the first weekend in December. * Volleyball Tournaments can be played only on weekends.

MHSAA has avoided major tests dates for High School and Junior High.

****ATTENTION! ELIGIBILITY REQUIREMENT****

PRINCIPALS, COACHES, ATHLETIC DIRECTORS, & SPONSORS:

IN ORDER TO MEET ELIGIBILITY REQUIREMENTS, all coaches, sponsors, student-athletes, cheerleaders, and dance participants in middle school, junior high, and high school sports during the 2011-2012 school year must have completed the online *STAR Sportsmanship* training program at some point in time. (By going to starsportsmanship.com, schools may print a list of those at their schools who have completed the program.)

*Junior high and middle school coaches, sponsors, and students must complete STAR Sportsmanship training before their sports season ends.

*High school coaches, sponsors, and students must complete STAR Sportsmanship before post-season play begins in their sport.

It is the responsibility of the **HEAD COACH or SPONSOR** of each sport to make sure that his or her team's student-athletes and assistant coaches have completed STAR Sportsmanship training. **COMPLETION REPORTS** for each team will be reviewed to check eligibility.

The MHSAA recommends that schools consider putting JROTC, band, and choral music students through STAR Sportsmanship training or some other character development program. It is also recommended that coaches consider using the parent module for their meeting with parents to encourage their practicing good sportsmanship at events.

To Get Started:

1. **Go to the MHSAA website (www.misshsaa.com).**
2. Click on the *STAR Sportsmanship* logo, then follow the instructions to retrieve your school's STAR code.
3. Go to www.starsportsmanship.com, where you and your athletes can login and complete the STAR program in 30 minutes or less!
4. You can also call Learning Through Sports to request your STAR code:
Learning Through Sports, toll-free: 1 (866) 552-9192.

JUNIOR HIGH / MIDDLE SCHOOLS

TOTAL NUMBER OF CONTESTS / NO STATE CHAMPIONSHIPS

Only two playing dates may be used during the school week for all athletic activities.

Junior high's sport season is the same as the senior high. Junior High School may play their first contest **during the week** of the senior high's first game, and they must have fifteen days of football practice.

| | Maximum Number of Contests |
|-----------------------|-------------------------------|
| Baseball | 20 Games |
| Football | 8 Games |
| Cross Country | 8 Meets |
| Swimming | 9 Meets |
| Basketball Girls/Boys | 16 Games plus 2 Tournaments |
| Soccer Girls/Boys | 12 Matches plus 2 Tournaments |
| Track Girls/Boys | 8 Meets |
| Tennis Girls/Boys | 10 Matches |
| Volleyball | 10 Matches plus 2 Tournaments |

Volleyball: At each site a player will be limited to five games on the "A" and "B" teams. For example, a player may play 3 games on the "A" team and 2 game on the "B" team.

Any school that participates in other athletic events must request permission from the MHSAA office and be given the right to play and receive the maximum number of contests. Although the *junior high* season is shorter, the athletic contest should be played within the same season as the high schools.

Junior highs and **middle schools** will be allowed two playing dates per week for athletics. Any extra contest must be approved through the MHSAA office.

"B" TEAMS

| | |
|-----------------------|----------------------------|
| Football | 8 Games |
| Softball | 20 Games |
| Cross Country | 11 Meets |
| Swimming | 9 Meets |
| Basketball Boys/Girls | 16 Games plus 1 Tournament |
| Soccer Boys/Girls | 12 Games plus 1 Tournament |
| Powerlifting | 4 Meets |
| Baseball | 20 Games |
| Golf | 8 Games |
| Tennis | 10 Matches |
| Volleyball | 20 Matches |

The majority of "B" Team games with the exception of football are played on the same day as the varsity sport. A player may only play 9 innings of softball or baseball with the exception of an extra inning to determine a winner.

All "B" Team games operate within the same time frames as varsity sports.

Volleyball: At each site a player will be limited to five games on the "A" and "B" teams. For example, a player may play 3 games on the "A" team and 2 game on the "B" team.

Classic Games will not count toward the maximum number of contests.

Jamborees may be held in Football (2 quarter scrimmages), Basketball, Baseball, Slow Pitch Softball, and Fast Pitch Softball. Jamborees, with approval from the MHSAA Office, may be played one week prior to Classic Games.

Academic Activities

Band
Choral
Speech and Debate

These activities will also be limited to one contest per week (Monday through Friday).

Spring Football training shall consist of 5 days in shorts and head gear and 10 out of last 12 days in full gear.

You must conduct spring football three weeks prior to spring sports starting date (February 1) or three weeks prior to the beginning of final exams. No student may participate in spring training and a sport that is in season except powerlifting.

Summer is defined as the time extending from the last day of school that any individual member school team is participating until the first day that any MHSAA sport season begins.

During the school year, a sport may practice after the school day only during the designated season. School day ends after last academic period. Practice - consists of a coach being present with player(s). A coach may not coach an independent team of high school or junior high age except during the summer.

Any future sports seasons will be approved by MHSAA.

***UNDER NO CIRCUMSTANCES WILL THE SCHOOLS EXCEED THE TOTAL GAME
LIMIT. A STUDENT ATHLETE MAY NOT EXCEED THE NORMAL GAME LIMIT
DURING THE WEEK.***

MaxPreps

Volleyball

Football

Basketball

Baseball

Fast Pitch Softball

All volleyball, football, basketball, baseball, and fast pitch softball coaches are required to put their statistics into MaxPreps from the first competitive event of the year.

To get started:

1. **Submit your roster to MaxPreps** (email to rosters@maxpreps.com or fax to (530) 676-2814).
2. **Login with your unique username and password** (last year's username and password are also valid):

Username: «Username»

Password: «Password»

3. **Enter your stats after every game.** (It takes approximately 15 minutes.) You may want to designate a coach or student to handle this for you.

Please submit your roster and entering your stats on a game-by-game basis. You will be required to have your stats in MaxPreps if you make it to the state playoffs or championships.

If you have any questions or need help getting started, feel free to call the MaxPreps Coaches Support Line at 1-800-329-7324. Good luck in the coming season.

SUMMER MONTH RESTRICTIONS

The MHSAA Executive Committee have recommended and passed the following regulations for summer activities:

1. Limit the number of dates played during the summer months as indicated below.
 - a. Football – 7 playing dates for 7 on 7
 - b. Fast Pitch and Slow Pitch Softball – 12 dates for games
 - c. Basketball – 12 dates for games
 - d. Baseball – 12 dates for games
 - e. All sports may participate in two approved team camps, which will not count against the 12 dates
2. Designate a dead period whereby no school athletic activity (including weightlifting) should occur between July 11 and July 15.

Note: Having a dead period will give the student athletes an opportunity to spend time with their families and friends.

Note: Coaches should always cooperate with parents when students need to go on vacations at any time during the summer months and not place demands on the students which make it difficult for them to leave.

Special Eligibility Form
(Use for Transfer Students from Mississippi and Other States)

Directions: School A (the school enrolling a transfer student) should complete Section A and send to School B (student's former school). School B should complete Section B and fax to the MHSAA (601.924.1725). Before a transfer student's eligibility can be determined, this information must be provided to the MHSAA.

Participating Schools:

We agree to abide by the criteria adopted by the MHSAA Executive Committee.

Criteria for Pre-Season Classic Games:

A Classic Game will be allowed. The host school will receive 85% of the gate receipts and the MHSAA receives 15%. The proceeds retained by the host school may be split with the participating schools if desired. Monies received by the MHSAA will be used for maintenance and upkeep costs.

A jamboree consists of no more than one complete game (football – 2 quarters max.) A school may not play a single opponent more than one half of a game.

Football: Games will count on the regular season record, but will not be used as a tie-breaker or count on a division record. There will be no controlled scrimmages allowed with another opponent without permission from the MHSAA office. If a team cancels a ***Classic Game*** without approval from the Executive Director/Deputy Director, the team will be placed on probation. Cancellations will only be approved in extreme emergencies.

Other Sports: A ***Classic Game*** may be played the weekend prior to the regular season. ***Classic Games*** will count on a team's record in all sports but will not be used in a tie breaker.

MHSAA “SCHOLAR-ATHLETE” PROGRAM

*All high schools that are members of this Association are eligible to participate.
The following guidelines will apply:*

1. *Any varsity athletic team with a 3.00 or higher composite grade average for the first semester of the school year will be eligible to receive a team academic award. All GPA's should be listed to three decimal places (i.e., 3.678). Do not list a GPA higher than 4.00, since that would reflect weighted courses on averages used to complete an overall team average.*
2. *In each sport approved by the MHSAA a certificate will be awarded to those teams that have earned 3.00 or higher composite grade average.*
3. *Cheerleading, although not officially recognized as a “sport,” is eligible for this program because cheerleaders serve as a support group for the different interscholastic athletic teams within their schools. However, they must have their eligibility certified in the same manner as other interscholastic athletes.*
4. *This is a varsity award. Junior varsity or “B” teams are not eligible.*
5. *The principal and coach should sign the scholar athlete team application form.*
6. *For each team nomination, a separate team application form must be completed.*
7. *All members of the team must be listed and their grade point average indicated. Numerical grades may not be used.*
8. *Please note the deadline. Applications for **Scholar-Athlete** awards received after the deadline **will not be considered**. All applications from one school must be sent under the same cover to facilitate awarding of certificates. Official forms must be used.*

Lightning Guidelines for the MHSAA Member Schools

(Final Approved Copy for Publication and Distribution 4/25/07)

The implementation of the Lightning Detector requirement is not meant to supplant common sense or to ignore visual sightings of lightning strikes, but rather to be used as an adjunct to increase the safety and well-being of athletes, fans, and officials at outdoor events. Today's advanced technology provides relatively reliable devices that can actually detect lightning in the area and give approximate distances from one's location. There are presently no devices that can predict when or where a lightning strike will occur, but rather the recent location and/or distance of a strike. These devices may have a delay up to several minutes, but still give a warning of several miles (minutes) away that would otherwise be unknown. The lightning devices should be monitored closely once lightning is detected within a 40-mile radius. These new guidelines will take the initial responsibility of lightning detection away from the Game Officials so they can concentrate on their officiating duties and place it with the "host" game administrator. The host school officials are responsible for the correct operational guidelines of their lightning detection device and are responsible for maintaining it in a proper working condition.

1. **CONTESTS** - Each school will have an emergency plan in place that addresses the evacuation of athletes and spectators to a safe location within a reasonable time should a lightning threat be present. The amount of time it takes to evacuate spectators properly to a safe location should also be considered when recommending a postponement due to lightning. A brief description of the plan may be put in the program for spectators and fans to review while at an activity. The plan should be briefly explained by the game announcer if there is no program for the event. All individuals should have the right to leave an athletic site or activity, without fear of repercussion or penalty, in order to seek a safe shelter or location if they believe they are in danger from impending lightning activity.
2. The host Game Administrator (GA) will be responsible for having the lightning detector operational for outdoor events. The GA will monitor or appoint a responsible individual to monitor the device and sky conditions for lightning.
3. Once a lightning strike has been detected within 15 miles, the GA will then notify the Officials; then the GA, Principal (if available) and Officials will make the decision to postpone the game using all resources available to them, i.e., lightning detector, visual warnings, radar etc. If the lightning is detected within 10 miles of the event, the activity will be postponed and all evacuation guidelines will be put into effect. The decision to resume the contest/practice should consider using the same criteria. If the Officials' desire, they may use the existing 30/30 policy and if available any National Weather Service information or advisories.
4. **PRACTICES** - These guidelines should also be enforced and utilized at all outdoor athletic practices. It is the head coaches' responsibility to have the Lightning Detector activated and monitored when there is a chance for severe weather in the area. The head coach will be responsible for getting the athletes and ancillary personnel into a safe facility within a reasonable time when lightning is within 10 miles of the practice location.
