**Want to become a teacher?**  
**Start your journey right now in high school!**

- Three pathways are offered
- Earn an Associate's Degree from SPCC at no cost
- Attend Wingate University to earn a Bachelor's Degree
- Earn a Gateway to Wingate Scholarship - Students pay no more than \$2,500 per year
- Participate in apprenticeship and internship programs, professional development and student teaching opportunities
- Become a certified teacher within four years after high school

When I enrolled in the Teaching as a Profession class, I expected to learn the basics of how to be a teacher. In other words, I anticipated purely learning how to share information with others, the process of grading tests, finding worksheets, and other responsibilities of a teacher. I learned so much more in this class than I ever had in mind. I gained new insight on how different ages of children act, how to curate a classroom that is inclusive, how each student has a unique learning style, and that a classroom is made up of several different parts, not just the academic instruction.

## **TARDY POLICY**

Parents, it is important that students are on time for classes throughout the day. In order to ensure that you are aware if your child is tardy to class we will begin to send home notifications via our ConnectEd communication tool when your child has an unexcused tardy. We do have consequences for excessive tardies at school and these can be found in our [PRHS Student Handbook](#). Staff at PRHS remind students that the expectation is to go directly from one class to their next class, by taking the most efficient route possible. While we allow 5 minutes for each transition, students should report to their next class as quickly as possible and do not need the full five minutes. We find that students who take the most direct path to get to class and do not go into different parts of the building are always on time to class. If tardiness is due to a late bus they will be given a pass to class and will have an excused tardy which does not count against them. Thank you for your support as we teach our children the importance of being on time.

## ***Attend Today and Achieve Tomorrow***

**Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.**

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes should be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student can fail the course due to attendance.
