Want to become a teacher?

Start your journey right now in high school!

- Three pathways are offered
- Earn an Associate's Degree from SPCC at no cost
- Attend Wingate University to earn a Bachelor's Degree
- Earn a Gateway to Wingate Scholarship - Students pay no more than \$2,500 per year
- Participate in apprenticeship and internship programs, professional development and student teaching opportunities
- Become a certified teacher within four years after high school

When I enrolled in the Teaching as a Profession class, I expected to learn the basics of how to be a teacher. In other words, I anticipated purely learning how to share information with others, the process of grading tests, finding worksheets, and other responsibilities of a teacher. I learned so much more in this class than I ever had in mind. I gained new insight on how different ages of children act, how to curate a classroom that is inclusive, how each student has a unique learning style, and that a classroom is made up of several different parts, not just the academic instruction.

We have made a change on how we are accepting absence notes. Our attendance counselor has transitioned to a different job and UCPS is no longer filling these jobs. If you have questions about your child's attendance please call the main office at PRHS and our staff will assist you. Moving forward we will be accepting parent notes only using an [electronic Absence Reporting Form linked here](#). Please bookmark the form. It will also be linked on our website and in our newsletter. There is information below about using the form, and more information on the form itself:

- This form is to be used by a PARENT/GUARDIAN to report a **STUDENT'S PREVIOUS DAY OR CURRENT DAY'S absence** from school due to illness.
- A maximum number of **FIVE (5) days can be excused FOR ILLNESS with a parent note** (uploads to this form) each semester, for an approved 'excused absence reason. A request for an exception to this guideline should be directed to your child's administrator or counselor for Principal approval. (This includes paper/email notes that were sent in prior to this form being available.)
- Official Medical/Court/Legal Absence notes should still be turned in to the main office on paper. Please do not complete this form when you are providing documentation from a doctor (or court, DMV, etc...).
- Only the parent or guardian may complete this form, no students. Parent email completing form will be verified with email(s) we have on file, only forms submitted by a matching email will be accepted. If you need to verify your email that we have on file - it is the email address that we send the weekly Pirate Press newsletter to. You can verify other addresses by calling the school.
- *Email and paper Parent Notes for illness will no longer be accepted*
- Students arriving to school late, or returning to school from a medical/court/legal appointment should continue to sign in to school and turn in their doctor/court/official note to the front desk.

TARDY POLICY

Parents, it is important that students are on time for classes throughout the day. In order to ensure that you are aware if your child is tardy to class we will begin to send home notifications via our ConnectEd communication tool when your child has an unexcused tardy. We do have consequences for excessive tardies at school and these can be found in our [PRHS Student Handbook](#). Staff at PRHS remind students that the expectation is to go directly from one class to their next class, by taking the most efficient route possible. While we allow 5 minutes for each transition, students should report to their next class as quickly as possible and do not need the full five minutes. We find that students who take the most direct path to get to class and do not go into different parts of the building are always on time to class. If tardiness is due to a late bus they will be given a pass to class and will have an excused tardy which does not count against them. Thank you for your support as we teach our children the importance of being on time.
