

PLACE VALUE BATTLESHIP

RULES: Use the number tiles to create your decimal number. Take turns guessing which number is in each place. You must use the correct value to guess the number (such as "hundreds" or "hundredths"). One guess per turn. When you guess all of your partner's number, you've sunk their battleship!

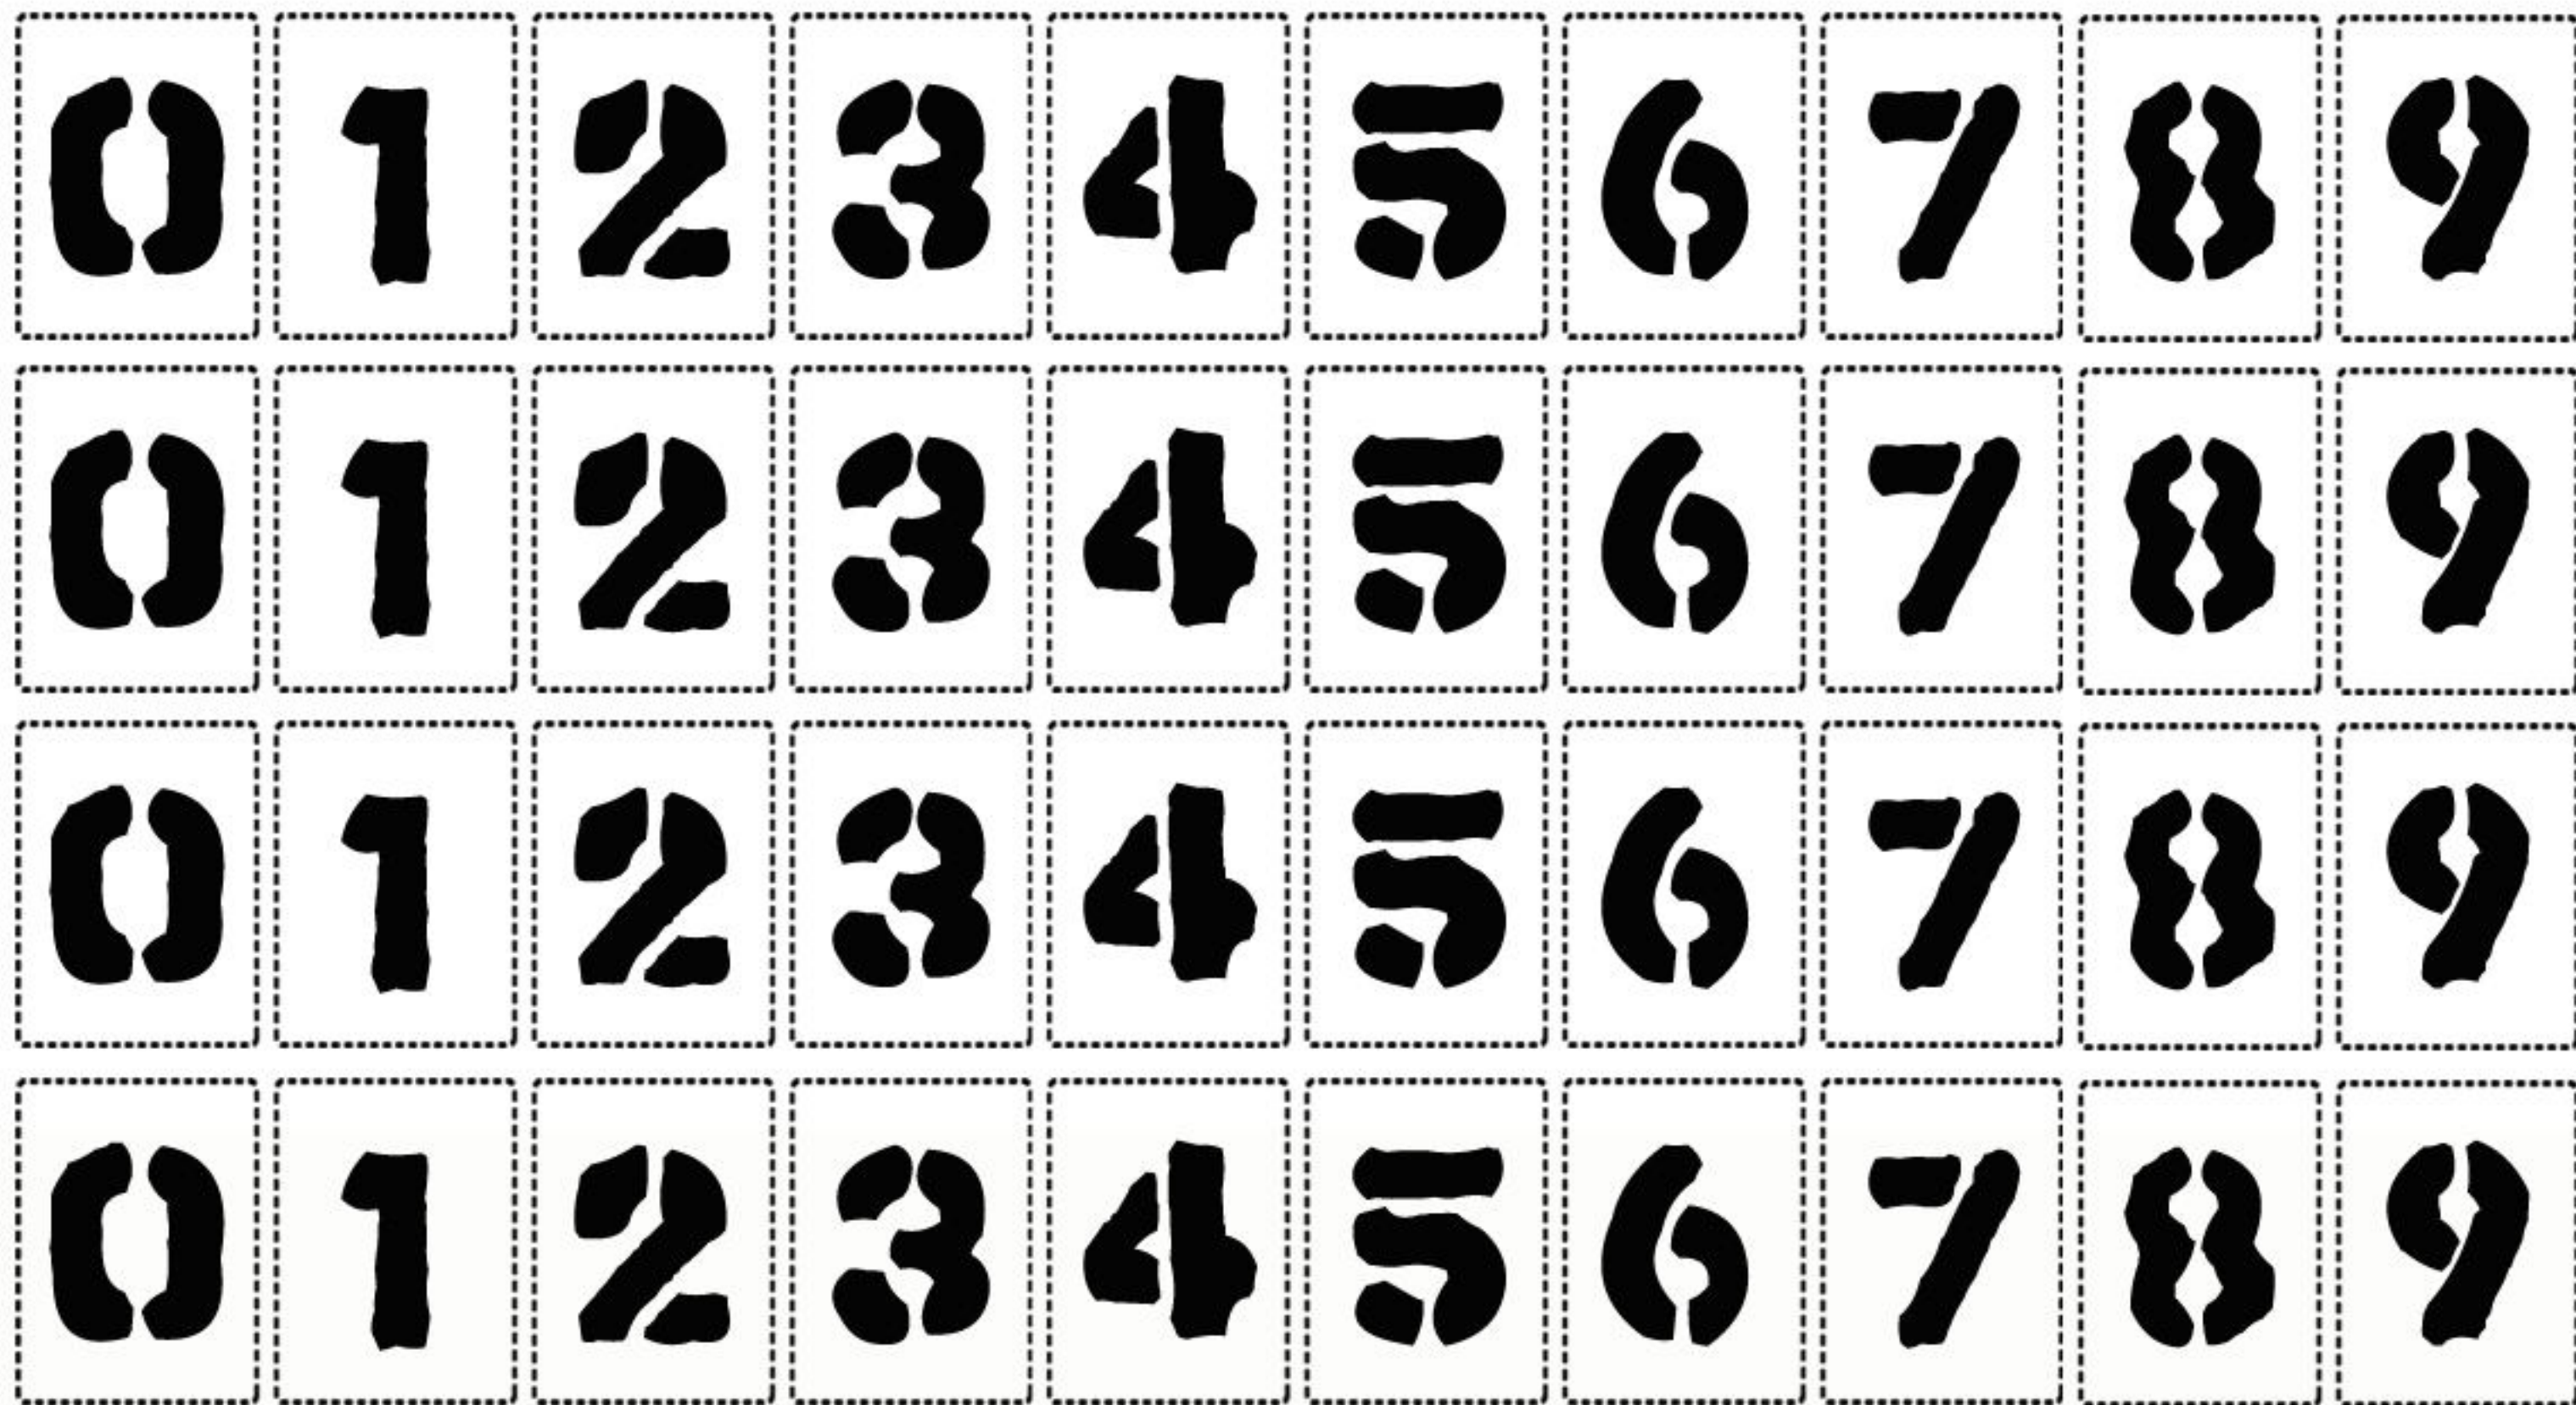

MY PARTNER'S NUMBER

--	--	--	--	--	--	--	--	--	--

MY NUMBER

--	--	--	--	--	--	--	--	--	--

**TWO SETS PER PLAYER- ONE TO SET YOUR
NUMBER, ONE TO KEEP TRACK OF THEIRS.**
