The Association's obligations are contingent upon the District: 1) giving the Association thirty (30)-day notice, in writing, of any claim; 2) and cooperating with the Association and its designated counsel in the defense of the claim. In the event the District properly invokes this paragraph, the Association will provide

the attorney to defend against the claim. The Association shall reimburse the District for any and all costs associated with disputed dues and fees deductions. In the event the District wishes to use its own attorney, the District will pay the fees and costs of said attorney.

- 4.6 Association Chapter representatives will be allowed twenty (20) hours of time release to speak with bargaining unit members during their breaks and lunches, or to attend events outside of the District. The Association will cover the wages of the representatives on time release. Time release will be requested at least one (1) week prior to use. No more than two (2) representatives may be absent related to these hours on any given workday.

ARTICLE 5: WORKWEEK

- 5.1 The workweek shall consist of four (4) or five (5) shifts, not to exceed forty (40) hours.

An employee who has accumulated the maximum compensatory time shall be paid for any additional overtime worked until accumulated compensatory time falls below the maximum. All compensatory time not used at the end of the school year must be paid to the employee by the end of the fiscal year.
 - D. For the purpose of payment of overtime rates, the workweek begins on Monday and ends on Sunday.
 - E. Overtime shall be computed to the nearest quarter (1/4) hour. Overtime pay shall be based on the actual number of hours on duty per day except that two (2) hours of overtime will be guaranteed in instances where an employee is called back to work. For the purpose of computing overtime, all hours an employee actually works, plus paid holiday and paid leave hours shall be credited as time worked in computing total work period hours.
- 5.3 Filling of Vacancies
- A. When a vacancy or newly-created position occurs within the District in the bargaining unit, the District will post the job description and the established objective criteria for hiring.
 - B. Employees who are part of that unit may bid for the open position. Employees within the District shall have priority consideration in the

interview process if their application has been filed along with his/her up-to-date resume.

- D. Employees interested in a temporary position (as defined in 1.1) performing summer work for the District will notify the District office by May 1st each year. Pay shall be commensurate with the duties as described in the Salary Schedule at least at Step 1. Classified employees submitting interest in summer work shall be considered as per 5.3, A. B. C. An employee assigned to work in a temporary position shall not be eligible for vacation or holiday pay as defined in Article 10, *General Benefits*. In the event an employee is assigned temporary summer work in the same classification as the employee's school year assignment, the employee shall be allowed holiday pay as provided in Article 10, Section 10.3.
- E. If the District determines that a current employee is the best applicant for the new position and is hired for the new position, then the employee will have at least fifteen (15) days to forty-five (45) days, or a mutually agreed upon shorter time to meet the required specifications of the new position. In the event the employee cannot meet the required specifications, or upon the employee's request, he or she shall return to his/her previous position.

ARTICLE 6: REDUCTION IN FORCE/RECALL

- 6.1 Seniority shall be defined as the total length of service within the District as per the first day of paid status in a regular position. Any unpaid leave which exceeds thirty (30) working days will not be counted toward seniority. Employees who are laid off as the result of a reduction in positions and who are subsequently reinstated shall retain seniority except for the period of lay off.

If two (2) or more employees subject to lay off have equal seniority, the determination as to who shall be laid off will be made on the basis of greater total length of service within the District as per the first day of paid status in a regular position or, if it is equal, then the determination shall be made by lot.

- 6.2 In the event it becomes necessary to reduce the work force, employees shall be laid off in the inverse order in which they were hired within the job classification. When forces again increase, employees shall be returned in the inverse order in which they were laid off within the job classification.
- 6.3 Any employee being affected by a layoff may "bump" back into a previously held classification provided they hold greater seniority than the person being bumped.
- 6.4 Any employee being affected by a layoff shall be assigned to any available vacancy for which the individual is qualified by in-district work experience or training, upon request of the employee.
- 6.5 An employee because of layoff choosing to bump into or return to a lower classification or lesser hours shall retain full recall rights.
- 6.6 If an employee is moving to a lower classification because of layoff the employee shall be placed on the salary schedule in the new classification at a rate that reflects the least decrease in salary possible.
- 6.7 Reduction in hours will be by seniority within classification with the least senior employee being first.
- 6.8 Recall Rights. An employee shall have recall rights for twenty-four (24) months from the actual date of his/her layoff. Recall rights shall automatically terminate twenty-four (24) months after the actual date of layoff. Whenever the District determines that a regular vacancy exists within a classification which has experienced a layoff (within the last twenty-four [24] months), laid-off employees from that classification will be recalled in reverse order of layoff unless the District determines that another laid-off employee has special or unusual qualifications and experience for the existing vacancy. Notice of recall shall be sent by certified mail to the last known address. A laid-off employee will have fourteen (14) calendar days from the date of mailing to respond to a recall notice. An employee's response shall be by certified mail. Failure to respond by

certified mail within fourteen (14) calendar days to any recall notice, failure to report to work as directed, or rejection of any position offered will cause a laid-off employee to forfeit all recall rights and if laid off shall be deemed to be a resignation; except an employee may decline one (1) recall and if he/she does decline, then the employee's recall right shall automatically terminate within the shorter period of twelve (12) months or the remainder of the original twenty-four (24) months from the date of declination whichever is less.

- 6.9 Opportunity to Apply for Posted Vacancies. During the period of time that an employee is on a recall list he/she shall be considered as an active employee for the purpose of bidding/applying on posted vacancies. It shall be the responsibility of the individual to obtain data on job vacancies.

ARTICLE 7: PERSONNEL RECORDS

- 7.1 The personnel records in the District office of any employee in the bargaining unit shall not have any information of a critical nature that does not bear the employee's signature or initials, indicating that the employee has been shown the material, or a statement by a supervisor that the employee has been shown the material and has refused to sign or initial such information.
- 7.2 Letters of caution, consultation, warning, admonishment and reprimand shall be considered temporary contents of the personnel records. Removal from personnel file and destruction of said materials will be on or before August 1 of each calendar year for such materials which have been in the file at least three (3) years. If the letter of caution, consultation, warning, admonishment or reprimand has been issued for a matter regarding student safety (e.g. inappropriate contact with a student, degrading/negative/condescending comments to a student), then the letter shall remain permanently in the personnel file. This provision is subject to Oregon law.
- 7.3 The Board agrees to develop and utilize a written evaluation procedure that will be explained to members of each job classification by November 1 of each year. The evaluation procedure may be uniform for all classified employees, or may be tailored to reflect the unique characteristics of each occupational classification.
- 7.4 A copy of the written evaluation, and, if necessary, supportive documentation, shall be presented to the employee at the time of the personal conference or within ten (10) days thereafter. One (1) copy is to be signed and retained by the administrator or supervisor, the other is to be retained by the employee. In the event that the employee wishes to comment on the evaluation, the employee may place written comments on the form or attach his or her comments to the form.

ARTICLE 8: SEPARABILITY OF PROVISIONS

- 8.1 In the event that any provision of this contract shall, at any time, be declared invalid by any court of competent jurisdiction, such decision should apply only to a specific article, section or portion thereof directly specified in the decision. Such a decision shall not invalidate the entire contract, it being the expressed intention of the parties hereto, that all other provisions not declared invalid shall remain in full force and effect.

ARTICLE 9: SALARY

- 9.1 Salaries for classified employees in the bargaining unit shall be the same as indicated on the attached salary schedules (see Appendix A) and by this reference incorporated herein.
- 9.2 Employees shall advance one (1) step horizontally on the attached salary schedules on an annual basis, until the employee reaches the maximum step. The annual date for such advancement shall be July 1. Employees hired prior to February 1, of any school year, shall advance one (1) step on their salary schedule as of the following July 1. Employees hired subsequent to February 1 of any school year shall advance one (1) step on their salary schedule as of the second following July 1.
- 9.3 Changes in occupational position may require a change in salary schedule placement:
- A. If an employee is involuntarily required to accept a reclassification to a lower paying position, except for cases involving disciplinary action or unsatisfactory service, the employee shall remain at the same salary. Cases involving disciplinary action or unsatisfactory service are subject to resolution through the provisions of Article 11. This provision shall not apply to Section 5.3 of this Agreement.
 - B. An employee temporarily assigned by the District to replace an absent employee who is in a higher classification shall be considered acting out of classification. Said employee shall be entitled to the rate of pay from the higher classification which is closer to his/her own rate of pay while still providing an increase equal at least to one (1) step.
- 9.4 When any new position not listed on the salary schedule is established, the District shall notify the Association of the proposed job description pay range. The Association will either accept the District-assigned wages or will notify the District of a demand to bargain wages for the new job description within ten (10) work days of receipt.
- 9.5 All employees' regularly working swing or graveyard shifts shall be allowed a thirty (30) minute paid lunch period in lieu of a shift differential.
- 9.6 All substitutes covered by this Agreement as per Article 1 will be paid at least the minimum starting salary for the position being substituted.
- 9.7 Initial Placement:
The administration will place newly hired employees on the appropriate salary schedule up to step 4 based on the employee's prior experience and according to the Oregon Pay Equity Law requirements.

Should a new employee warrant a step higher than step 4, the Superintendent will notify the Association's Chapter president or designee and supply the reasons.

9.8 PERS Pickup:

The salary plan for all employees shall include the following:

The District shall continue to pay as permitted by ORS 237.075 (now ORS 238.205) and House bill 2020, Sections 32-35 (2003), the six percent (6%) employee contribution for the Public Employee Retirement System for the employees then participating in the Public Employee Retirement System. Such payment of employee monthly contributions to the system shall continue for the life of this Agreement. Payment of the employee contribution shall also be applicable to employees who first began to participate in the system on and after September 1, 1979.

The full amount of required employee contributions paid by the District pursuant to ORS 237.075 and ORS 238.205 on behalf of employees shall be considered as "salary" within the meaning of ORS 237.003(8) and 238.005(20) for the purpose of computing an employee's "final average salary" within the meaning of ORS 237.003(12) and ORS 238.005(8) but shall not be considered as "salary" for the purposes of determining the amount of employee contribution required to be contributed pursuant to ORS 237.071 or ORS 238.200(1). Such paid employee contribution shall be credited to the employee accounts pursuant to ORS 237.071(2) and ORS 238.200(2) and shall be considered to be employee contributions for the purposes of ORS 237.001 to 237.320 and the like renumbered statutes under ORS 238.

The amount of an employee contribution to the individual account program that is paid by the employer and is not deducted from the compensation of the employee, as provided under Section 34(1) and (2)(b) of House Bill 2020 (2003) shall not be considered as "salary" for purpose of computing an employee's "final average salary" within the meaning of House Bill 2020 Section 10 (2003) nor shall it be considered as "salary" for purposes of determining the amount of employee contribution required to be contributed pursuant to Section 32 of House Bill 2020 (2003). Such paid employee contributions shall be credited to the employee individual account program pursuant to Section 32 of House Bill 2020 (2003) and shall be considered an employee contribution for the purpose of Section 34 of House Bill 2020 (2003).

9.9 Salary Schedule:

the hourly wages of classified employees.

For the 2021-22 year, two and one-quarter percent (2.25%) shall be added to the hourly wages of classified employees.

The wage and salary schedules are shown in Appendix A.

Days to be worked during spring or winter vacation will be at the discretion of the principal. Additional time worked in the summer will be paid at the secretary's normal hourly rate of pay. The secretaries shall be given at least one (1) week notice of employer's intent to work them any additional time except in an emergency situation.

9.11 Extra Duty Compensation:

| - After 20 years | Four and one-half percent (4.5%) of annual salary or one thousand dollars (\$1000), whichever is less |

Eligibility is measured from the date of an employee's hire into a regular (not substitute) position. A hire date prior to December 1 is required for the first year of employment to be counted as one (1) year.

To receive a longevity stipend, an employee must be employed in their regular position, not as a substitute or a retiree.

Stipends will be paid as part of the December paycheck in the year after an employee meets the longevity threshold.

ARTICLE 10: GENERAL BENEFITS

The extra week's pay will be paid as a bonus upon timely request with regard to payroll deadlines, by the employee or, if no such request is made, will be paid with the employee's last check of his or her work year. New employees, hired after July 1, shall receive a portion of one (1) week vacation prorated to June 30.

For the 2021-22 contract year and beginning October 1, 2021, for the insurance plan year, the District will provide for each eligible employee one thousand two hundred fifty-seven dollars (\$1,257.00) for insurance coverage which is prorated

for the number of hours worked per week.

B. Opt Out or Waive of Medical Insurance
Opt Out Benefit:

As of September 1, 2019, the District will allow bargaining unit members who can provide proof of primary group medical insurance from another source (subject to the rules and regulations of the Oregon Educator Benefits Board [OEBB] and if receiving compensation due to opt out, the Internal Revenue Service - state and federal), to opt out of the District Medical insurance program.

Employees who opt out of their medical insurance coverage shall be compensated each month for twenty-five percent (25%) of their district monthly insurance allocation, not to exceed two hundred and fifty dollars (\$250) per month.

Should an employee choose to opt out of the medical insurance but to enroll in vision and/or dental care policies, the amount of their district monthly insurance allocation shall be reduced by the actual cost of the selected vision and/or dental care policies before the twenty-five percent (25%) compensation is calculated, not to exceed two hundred and fifty dollars (\$250) per month.

The compensation will be paid as taxable income to the employee. After the District's payroll costs are deducted from the balance, any remaining benefit amount will be used to pay employees' current out of pocket premiums through the classified insurance pool as funds allow. A written guideline explanation shall be created by the Joint Insurance Committee and made available to members.

C. Joint Insurance Committee:

A Joint Insurance Committee shall be formed by October 1 of each year and shall include three (3) members designated by the Association and three (3) members designated by the District

The Joint Insurance Committee shall meet during or prior to the first full week of November each year at which time the District will report on the current year's classified insurance pool usage.

Should all classified out-of-pocket costs be covered during the year and unallocated funds remain, the balance will be moved to the classified insurance reserve account to offset future year's out-of-pocket premiums.

All available OEBB plans available in the area will be offered to bargaining unit members. The parties agree that any decision to alter the insurance plan design or to change insurance carriers must be agreed to by May 31 of the year in which the above stated changes are to be implemented. The parties have agreed to the May 31 date in an effort to ensure timely communication and implementation of insurance plan design changes or to implement a change in insurance carrier prior to the open enrollment period which is normally held in September of each year.

10.6 Bereavement Leave:

Employees are granted five (5) days bereavement leave for each death in the immediate family - not to be subtracted from sick leave. The immediate family would be spouse, father, mother, brother, sister, son or daughter and like in-laws, grandmother, grandfather, other significant person responsible for the rearing of the employee, or a member of the immediate household whose official residence is the same as that of the employee.

10.7 Sick Leave with Pay:

- A. In accordance with ORS 332.507, employees shall accrue sick leave benefits for absence from duty because of illness or injury. Each employee shall be granted sick leave at the rate of one (1) day for each month of regular scheduled work and not less than ten (10) days sick leave for each nine (9) months or more employed. Computations shall be based on a single day reporting schedule and the number of days reporting for payroll purposes. Sick leave shall be credited to the employee's account at the beginning of the fiscal year or at the time of employment on this basis. Each employee shall be furnished a statement at the close of each fiscal year showing the number of days of unused sick leave credited. Unused sick leave shall accumulate without limit.

An employee whose term of illness extends through June 30 of any given fiscal year and at that time has not used up all accumulated sick leave shall continue to receive paychecks against prior year's accumulated sick leave. However, in these cases, such employee's sick leave shall not be credited for additional hours in the new fiscal year until he or she has returned to work.

When an employee is absent due to illness or injury compensable under state industrial accident laws, the employee may request to be paid the difference between the payment received from the Worker's Compensation Insurance Company and the employee's regular salary. In such instances, prorated charges will be made against accrued sick leave, to the limit of such accrued sick leave.

A certificate from the employee's attending physician or practitioner that the illness or injury prevents the employee from working shall not normally be required except after five (5) consecutive workdays of employee absence.

In compliance with ORS 237.153, the District will grant the application of fifty percent (50%) unused sick leave as a credit to retirement benefits for the classified employees.

For emergency school closures and delayed openings, an employee will have the option of using accrued sick leave up to the limit of two (2) days per year, or other available leave types (see Article 16.C).

B. Sick Leave Bank:

The Association can establish and manage a paid sick leave bank for employees. The purpose of the sick leave bank shall be to extend to those employees

additional paid sick leave days should a long-term illness or injury exhaust the employee's accumulated sick leave. The Association shall establish rules and regulations to govern the sick leave bank which meet these conditions.

1. Employee's participation in the sick leave bank shall be voluntary.
2. The maximum annual contribution of paid sick leave days to the bank by an employee shall be two (2) days.
3. The maximum number of sick leave days in the bank shall be six hundred (600) days and can only be increased by mutual agreement of the District and the Association.
4. Employees shall only be eligible for use of sick leave bank days after they have exhausted all their available individual sick leave and personal leave days.
5. Sick leave bank days shall only be used by employees who have a medical verification stating they are unable to perform their assigned responsibilities due to a long-term illness/injury.
6. The maximum number of consecutive sick leave bank days an employee can use is thirty (30) days. An employee is not eligible for sick leave bank days if the employee is receiving compensation under Worker's Compensation, long-term disability, or PERS disability.
7. All paid sick leave days contributed to the sick leave bank shall be deducted by the District from the contributor's sick leave account at the time of contribution. Such contributions are irrevocable and shall remain in the bank.
8. The Association shall provide the District a list of sick leave bank contributors and users and a copy of the established rules. The District will honor withdrawals from the sick leave bank upon proper certification by the Association.
9. The District and the Association shall work cooperatively to implement the sick leave bank.

10.8 Leaves of Absence without Pay:

Such leave may be granted at the discretion of the Board upon recommendation of the Superintendent.

- A. Leaves of absence other than medical will be granted only after three (3) consecutive years of service with the District and shall be for no more than one (1) year for each authorized leave. An attempt will be made to return the

person to the same position or one of comparable status.

- B. No more than one (1) leave will be allowed in a five (5)-year period of employment in the District.
- C. Unpaid leave shall not be used for the purpose of pursuing other employment.
- D. Medical leave may be granted at any time with the approval of the Superintendent.

E. Parental Leave

Parental leave shall be granted to any employee, upon request, in accordance with ORS 659.360. Employees shall receive up to a one (1) year leave of absence without pay to care for a child as defined in ORS 659.360.

Except in case of emergency situation, any employee desiring a leave of absence shall make the request in writing to the Superintendent at least thirty (30) days prior to the beginning of the period for which the leave is to be requested.

An employee on leave is required to notify the Superintendent of his/her intent to return to his/her employment at least thirty (30) days in advance.

The Superintendent shall have the authority to grant short leaves of absence, with or without loss of pay, to any employee for any reason which the Superintendent deems is in the best interest of the school system.

The salary schedule status of all classified employees obtaining leaves of absence shall be unchanged upon the return to the staff.

10.9 Personal Leave:

- A. Each classified employee in the bargaining unit shall be entitled to two (2) days paid personal leave per year. Said leave shall require no explanation and is accumulative to four (4) days.

Requests for personal leave shall be made to the supervisor with at least two (2) days advance notice. The two (2)-day notice provision shall be waived provided the leave is for an emergency and the general nature of the emergency is made known to the supervisor at the time of the request.

Personal leave shall be granted unless the request is not timely or the leave would result in the absence of more than two (2) people from a particular work unit on a given day.

- B. At the end of each year, up to two (2) unused personal leave days can be "cashed in" for one hundred dollars (\$100) each, prorated according to each employee's FTE (e.g., an employee with a six [6]-hour assignment

would be considered to work 0.75 FTE) and be eligible for a seventy-five dollar (\$75) payment, before payroll taxes are applied.

Employees must notify the District by May 25 of each year of their intent to "cash in" personal leave days. Payments will be made by June 30 of each year, unless otherwise agreed.

10.10 Court Appearances:

If an employee is called for jury duty, or is subpoenaed as a witness in a court case in which he/she personally is not involved, he/she will be entitled to reimbursement by the District at the straight-time hourly rate of his/her regular job, for the hours of work necessarily lost as a result of court appearance or duty, less the amount of reimbursement paid by the court, excluding mileage reimbursement. Procedure for "Return to Work:"

- A. Employees are required to report to work on any day when two (2) or more hours remain in a regular work schedule after court duty/obligations are met. They shall not receive pay for any hours not worked.
- B. Non-day-shift employees will not be required to report for work on any day that they have performed court duty for more than one-half (1/2) of an eight (8)-hour general court business day, provided such absence shall be without pay.
- C. Hours paid for court appearances: These hours will be counted as hours for the purposes of computing leave benefits and insurance contributions.

10.11 Physical Examinations:

The Pleasant Hill School District will pay the full cost of physical examinations for employees when such examinations are required by the District or state as a condition of employment. The District shall have the right to specify the physician(s) to be used. Employees wishing to use other than district specified physicians shall be reimbursed for the cost up to a limit of seventy-five dollars (\$75).

10.12 Rest Periods:

Each employee shall receive a fifteen (15)-minute break during each four (4)-hour period of consecutive service. Such break period shall be designated by the appropriate supervisor.

10.13 Lunch Periods:

Each employee working in excess of five (5) hours per day shall receive a duty-free lunch period (emergencies excepted) of at least one-half (1/2) and not more than one (1) hour. Such time as scheduled by the employee's supervisor, as nearly as practicable to mid shift, shall be his/her lunch period. Such lunch period shall not be credited as time worked for any purpose. In emergency

situations or upon mutual agreement of the employee and his/her supervisor, the employee may work a full shift without a lunch period.

10.14 Tuition:

Classified employees may be required by the District to attend training schools, workshops or courses of instruction. When such attendance is required, the Board will pay mileage expense and/or fees resulting from attendance of such schools.

The Board also agrees to pay full cost of fee of the course cost or fee of classes taken by classified employees to improve job efficiency or extend present job capabilities. The employee must have prior district approval and receive a passing grade for the course taken to be eligible for reimbursement. Each employee will be limited to two (2) courses, seminar, workshop, or other educational activity (not to exceed five [5] hours college credit) per contract year. The District shall pay for any new or renewed licenses or certificates, except a regular Oregon driver's license, that are required of employees to do the job. However, the District may require entry employees to have licenses or certificates as a condition of employment upon hiring.

ARTICLE 11: GRIEVANCE PROCEDURE

- 11.1 The purpose of this procedure is to provide an orderly method for resolving grievances. A determined effort shall be made to settle any such differences at the lowest possible level in the grievance procedure, and there shall be no suspension of work or interference with the operation of the school system. Meetings or discussions involving grievances or these procedures shall not interfere with job responsibilities of association members.
- 11.2 A grievance is a dispute over the interpretation, meaning or application of any of the provisions of this Agreement.

The aggrieved party is the party or parties making the claim; henceforth, the aggrieved party will be referred to as the party.

- 11.3 Grievances will be processed in the following manner and within the stated time limits:

Step 1 - The aggrieved party shall promptly attempt to resolve the grievance informally between the employee and his or her principal and/or immediate supervisor. If the grievance is not resolved informally, it shall be reduced to writing by the party who shall submit it to the principal and/or immediate supervisor. If the party does not submit his/her grievance to the principal and/or immediate supervisor in writing in accordance with Step 1 within fifteen (15) working days after the facts upon which the grievance is based first occur or first become known, the grievance will be deemed waived. The principal and/or immediate supervisor will reply in writing to the aggrieved party with a copy to the Association within five (5) working days after receipt of the written grievance.

Step 2 - If the grievance is not settled in Step 1 and the party wishes to appeal the grievance to Step 2, the party may file the grievance in writing to the Superintendent of schools within ten (10) working days after receipt of the principal's and/or immediate supervisor's written answer. The written grievance shall give a clear and concise statement of the alleged grievance including the fact upon which the grievance is based, the issues involved and the relief sought. The Superintendent or his/her representative shall review the grievance, arrange for necessary discussions and give a written answer to the party with a copy to the Association no later than ten (10) working days after receipt of the written grievance.

Step 3 - Grievances not settled in Step 2 of the grievance procedure may be appealed to the School Board whose decision shall be rendered by the full Board and not later than the next two (2) regularly scheduled Board meetings.

Step 4 - If the grievance remains unresolved, the grievant shall submit the grievance set forth in Step 2 in writing to the Employment Relations Board (ERB) in accordance with the following procedures:

- A. A list of five (5) arbitrators from the ERB shall be jointly requested. The parties shall have five (5) working days from the receipt of the list to review the names prior to the striking process. The parties shall alternately strike one (1) name from the list until only one (1) name remains. The striking process shall be determined by lot. The one (1) remaining shall be the arbitrator. Within five (5) working days after striking names the person selected will be submitted to the ERB.
- B. All meetings and hearings under this procedure shall be kept informal and private, and shall include only such parties in interest and/or designated representatives. The arbitrator shall render a decision within thirty (30) calendar days from the date of the formal hearing. The decision of the arbitrator shall be final and binding on both parties.
- C. Expenses for the arbitrator's service shall be borne equally by both parties. However, each party shall be completely responsible for all costs of preparing and presenting its own case, including compensating its own representative and witnesses. If either party desires a record of the proceedings, it shall solely bear the cost of such record.

ARTICLE 12: DISCIPLINE AND DISMISSAL

12.1 Discipline:

No permanent employees will be disciplined in writing and/or reduced in rank or compensation without just cause.

12.2 Dismissal:

No permanent (non-probationary) employee will be dismissed without just cause.

12.3 Formal disciplinary actions will be managed in a confidential and professional manner so that employee privacy is maintained.

ARTICLE 13: FUNDING

- 13.1 The parties recognize that revenues needed to fund the provisions of this Agreement must be approved by established budget procedures, and in certain circumstances, by a vote of the electorate of the District.

This Agreement, therefore, is entered into contingent upon financial resources sufficient to fund the agreement. In the event such resources are not available, then all economic provisions of this Agreement shall be subject to renegotiation between the parties, upon written request for renegotiation being made by the District to the Association.

ARTICLE 14: ADMINISTRATIVE LIAISON

- 14.1 A group comprised of one (1) representative from each building will be appointed by the Association to meet with the Superintendent up to once per month, or as needed, as scheduled by the Union president, to review, discuss and, where possible, resolve current problems and practices and the administration of the Agreement.
- 14.2 Agenda items will be furnished by the Superintendent and the Committee and each party will supply the other with its agenda items at least forty-eight (48) hours prior to the meeting time. All agenda items will be discussed.

ARTICLE 15: REDUCTION IN STUDENT CONTACT/TEACHER IN-SERVICE DAYS

- 15.1 In the event that the Pleasant Hill School District makes the decision to reduce the number of student contact/teacher in-service days, the Association would agree to the loss/reduction in work days for classified employees given the District's acceptance of the following terms and conditions:
- A. Except as necessary to cover special operational needs, all employees of the Pleasant Hill School District shall be subject to the same number of lost days of paid status.
 - B. Classified employees shall suffer no further loss of benefits as a result of the District's decision to reduce the number of instruction/in-service days. For example, if the District decides to reduce the instruction/in-service days by ten (10) days, all classified bargaining unit members shall continue to be eligible for the same number of sick leave days, vacation days and personal days under the terms of the current collective bargaining agreement. In addition, there shall be no reduction in employees' eligibility for insurance under Article 10.5 Medical, Dental and Vision Insurance. It is recognized that employees would not be paid for the eliminated days, so no PERS and FICA payments by the District on behalf of the employees would be made for those days.

ARTICLE 16: EMERGENCY SCHOOL CLOSURES AND DELAYED OPENINGS

This shall be determined before the next payroll period.

ARTICLE 17: DURATION AND TERMINATION/SIGNATURES
