Always Put Them in That Order!

FINANCIAL  
LITERACY  
FOR KIDS

How much is a penny?  
It's not very many,  
It's just one!  
A Penny's one cent.

How much is a dime?  
Let's jump around 10 times!  
1,2,3,4,5,6,7,8,9,10!  
A dime is ten cents.

Chorus

Chorus

How much is a nickel?  
Show five fingers,  
give a tickle!  
A nickel's five cents.

How much is a quarter?  
Let's count by fives to show her!  
5, 10, 15, 20, 25 cents  
A quarter is 25 cents.
