The \$20 million renovation project at Center Grove High School is in its final phases, with renovation underway on the new commons area in the center of the building's main floor. The project started last fall is expected to be complete by the end of the year.

#### Completed Areas

- ◆ Project Lead the Way classrooms
- ◆ Science labs
- ◆ Renovations to Family and Consumer Sciences, science labs and English classrooms
- ◆ Secure vestibule at Main Entrance & Hall of Excellence
- ◆ Relocation of Main Office to near Main Entrance

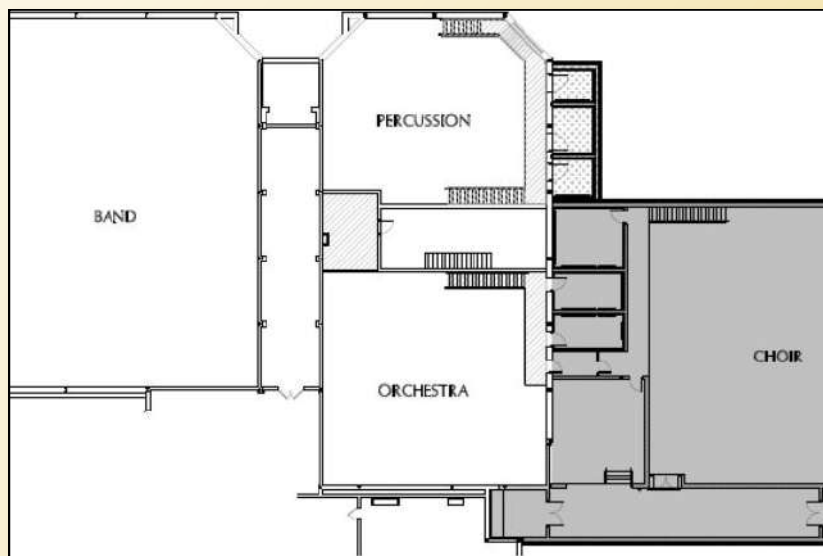

#### Current Renovation Areas

- ◆ Upgrades to finishes in classrooms (ongoing)
- ◆ ADA restroom upgrades throughout the building (ongoing)

- ◆ Old administration offices between the Media Center and Cafeteria
  - ◆ Part of that space will be turned into a student commons area, which will improve traffic flow on the main floor of the school.
  - ◆ Those renovations are expected to continue into the summer of 2016.

#### Next Phase

- ◆ Construction on new Music Department addition (April)
- ◆ Renovation of Media Center

The next phase of construction will include the addition of a music wing. Construction is expected to begin in April and be completed by the end of January 2017. The new wing will add 12,798 square feet of space on two levels. This phase also includes the renovation of the existing band and choir rooms, along with a room currently shared by percussion and orchestra. Once the renovations are complete, choir will move into the new space and orchestra will move into the current choir room, giving percussion their own space.

All phases of the \$42 million Safety, Security, and Stewardship project are fully funded without increasing tax rates for White River Township residents.
