- Biology – Dual Credit

Job Description:

School City of Hammond is in search of an engaging and highly effective Biology teacher who would be excited to teach Dual Credit courses. This Science department is focused on offering engaging courses with the opportunity for students to earn college credits. The department has worked collaboratively to develop a science program that consistently produces exceptional results in both Dual Credit coursework. This teacher will be an essential part of our continued success and the vital link between the high school and higher education partnerships.

If you envision yourself teaching students who will have the opportunity to earn college credit in Biology, Anatomy and Physics courses, please apply!

Qualifications:

- Teaching experience is preferred but not a requirement.
- Strong instructional skills
- Student-centered mentality
- Embraces a diverse student population
- Knowledge of dual credit and dual enrollment in higher education

Job Requirements:

- Must hold a valid Indiana teaching license in one of the following: • Biology 9-12 • Physics 5-12 • Physical Science 5-12 • Life Sciences 5-12
- Bachelor's degree in related field required (Master's degree preferred in content area).
- Minimum of two years' experience working in a secondary or higher education setting. (preferred)

Physical Requirements:

Candidate should be physically capable of successfully performing the essential functions of the position.

It is the policy of the School City of Hammond not to discriminate on the basis of race, color, religion, sex, national origin, age, or disability in its programs or employment policies as required by the Indiana Civil Rights Act (I.C. 22-9.1), Title VI and VII (Civil
