STUDENTS OF THE MONTH...

Corey Howard - Nominated by Mrs. Erwin

I am nominating Corey Howard as this month's student spotlight. Corey is 7 years old and lives at home with his mom and sister. Corey enjoys riding roller coasters, popping wheelies on his dirt bike, and eating steak, rare, at Texas Roadhouse. He likes living life on the edge! At school, Corey loves playing mushroom ball at gym and reading Dog Man books in the classroom. At school, Corey is an extremely hard worker. He is always committed to trying and doing his absolute best. Corey's kind, caring, and friendly character make him a role model for all classmates. Corey tackles new challenges seriously and with a positive attitude. Above all, Corey can always be counted on to be a friend to all. When Corey grows up he wants to be a mailman to get daily exercise. He hopes to do this in New Jersey because there are a lot of fun things to do that way, and of course the beach! If he could change anything in the world it would be to end boredom. I am eager to see what great things Corey will accomplish throughout the second grade! Keep being you Corey! Great Job Corey & Congratulations!

Emelia Minnich - Nominated by Mrs. Victoria Schmitz

I am nominating Emelia Minnich for this month's student spotlight. Emelia is 8 years old and lives at home with her mom, dad, older brother Jonah, and dog Luna. Emelia has many ambitions for what she wants to be when she grows up. She wants to be an artist, art teacher, dentist, or someone who 3D prints. Her favorite color is turquoise and she loves to ride her 4-wheeler, play with her dog, listen to Taylor Swift, and play with her friends. Emelia's favorite thing to do at school is art because she likes to do arts and crafts and she is very creative. Emelia is an outstanding student to have in the classroom. She is kind, considerate, hard working, and all around a wonderful person. Emelia is a hard worker in class and will always help other people or ask questions when she is unsure of something. She always puts others first and makes sure to help if there is a problem. Emelia will always help to cheer someone up and is constantly doing little dance moves in class when she is happy. Emelia strives to do her best and work hard in and out of the classroom. Great Job Emelia & Congratulations!

Johnny Stewart - Nominated by Mrs. Estes

I am nominating Johnny Stewart as this month's student spotlight. Johnny has been in my class since 6th grade. This year, Johnny is a sophomore who has really progressed in his art talent. Observing Johnny so far this year in class, I have been very impressed with his work ethic and his willingness to try his best. His projects have been wonderful and I am very proud of him. Johnny has been working so diligently that I hardly know he's in the room. I hope his talent continues to blossom and I am looking forward to seeing what the year has in store for him. I'm proud of you Johnny! Keep up the great work! Great Job Johnny & Congratulations!

Emma Hartzell - Nominated by Mrs. Meiring

I am nominating Emma Hartzell as this month's student spotlight. Emma is a very bright student who always tries her best. In class, she always gets her work completed in a timely manner and it is done very well. Emma is a very kind and polite student that helps in the classroom with her peers when they ask. Congratulations Emma and thank you for your efforts in the classroom. Great Job Emma!

2023-2024 Bradford EVSD Grade Card

Meets state standards

2023 - 2024 Report Card for

Bradford Exempted Village

Districts and schools receive an overall rating of 1 to 5 stars in half-star increments. The overall rating is comprised of five rated components. The College, Career, Workforce and Military Readiness Component is report only and does not contribute to the overall rating on the 2024 Ohio School Report Cards.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

Performance Index

Meets state standards in academic achievement.

71.3%

Progress

This component looks closely at the growth all students are making based on their past performances.

Significant evidence that the district fell short of student growth expectations.

Gap Closing

The Gap Closing Component is a measure of the reduction in educational gaps for student groups.

Annual Performance Goals

Needs support to meet state standards in closing educational gaps.

12.1%

Graduation

The Graduation Component is a measure of the four-year adjusted cohort graduation rate and the five-year adjusted cohort graduation rate.

97.2% of students graduated in 4 years
100.0% of students graduated in 5 years

How are we addressing our weaknesses?

As part of our district goals, we are asking for teachers to set data driven goals with their students, using assessments such as the Readiness Assessment to determine if their students are on track to be successful on the state tests.
