## Center Grove High School to honor Top 20 Students of the Class of 2016

GREENWOOD, IN (May 4, 2016) – Center Grove High School has named the Top 20 Students in the Class of 2016. The students will be honored at 6:30 p.m. on Thursday, May 5, 2016 at a Top Twenty Banquet in the Center Grove High School Hall of Excellence. Each student has invited one elementary or middle school teacher and one high school teacher who inspired them during their academic career. The students will speak about those teachers during the program.

"We are very proud of these students," said Doug Bird, principal. "This class is very competitive with just a few thousands of a point in their GPAs separating the Top 20 students from the rest of their class. They have worked hard to achieve these grades and we look forward to recognizing them and the teachers who have inspired them during their years in Center Grove schools."
