Center Grove High School Names Top 20 Students of the Class of 2021

GREENWOOD, IN (April 30, 2021) – Center Grove High School has named the Top 20 Students in the Class of 2021. The students were honored during a presentation on Thursday, April 29, 2021. Each student invited one elementary or middle school teacher and one high school teacher who inspired them during their academic career. The students spoke about those teachers during the program.

"We are thankful for the opportunity to gather with family members and honored teachers of this year's CGHS Top 20 as we celebrated their brilliant minds, caring hearts and servant leadership," said Dr. Jeff Henderson, CGHS principal. "These young adults have established the work ethic and perseverance to continue their academic and personal growth, and are well on their way to making remarkable contributions to our world. We wish them every success in life as they head off to make their mark on their universities and communities."
