TITLE I FULL-DAY PROGRAM

Rock Hill Schools currently offers 4K full-day programs in each of the Title I Schools. For a student to participate in a full-day program, he or she must meet eligibility criteria and the child must reside in the attendance zone of a Title I School. The Title I full-day program is federally-funded and enrollment is limited. Students will be screened and parents will be notified in June 2019 if their child qualifies for the full-day program. Once the Title I school programs are full, applications will be forwarded to the Central Child Development Center to identify eligible students for its half-day program. Title I Schools are Belleview, Ebenezer Avenue, Finley Road, Independence, Northside, Oakdale, Rosewood and York Road. (Note: schools may vary from year to year.)

TUITION-BASED PROGRAMS

Rock Hill Schools offers two tuition-based, full-day, 4K programs. The programs are offered at Ebenezer Avenue Elementary School where students learn in a Montessori classroom and Old Pointe Elementary. Parents who are interested should inquire at the school. The Montessori program telephone number is 981-1380 and Old Pointe's telephone number is 980-2040.

ELIGIBILITY

Anyone within Rock Hill Schools is eligible to attend as long as their child is 4 years of age before September 1st of the school year they wish to attend and reside within the Rock Hill School District.

HALF-DAY PROGRAM

RockHill Schools also offers a half-day pre-kindergarten program at Central Child Development Center and the Applied Technology Center. All students will be screened prior to acceptance in the program. Space is limited in the program. Parents will be notified in July if their child has been accepted or placed on a waiting list. Our half-day programs are needs-based and entry is restricted to student qualify through the Free & Reduced Lunch Application, Medicaid, documented developmental delays or through the screening process.
