The Winter Olympic Games

This year the Winter Olympics will be held in the beautiful city Beijing, China. This is the first time that both the Summer and Winter Olympics are held in the same city. Also, it is rarely seen that both, the Summer and Winter Olympics, take place so close together.

There are many events to uncover during the Olympics. It is agreeable that downhill skiing is one of the most popular events. The athletes must quickly ski down the snowy mountains at record speeds. The athlete with the quickest time will win a gold medal. They will stand proudly on a podium listen as their national anthem plays for all to hear. It is a cheerful moment for them.

There are many other sports that take place. In some sports, like hockey, the athletes compete as a team. They must trust that their teammates are dependable and will do their best so, together, they can win the gold.

If you are unable to watch the Olympics live, you can often rewatch the events on tv. The Olympic events are wonderful to watch. This year will be the same. Maybe the Olympics will inspire you to become an athlete so you can stand on the podium with a gold medal around your neck.

Name: _____

Use context clues from the story **The Winter Olympics** to match the words in the word box to their definitions.
