

Dear Parents,

Thank you so much for your interest in our Madison Consolidated Preschool Program. If you checked that your child qualifies for funding programs then a voucher application **MUST** be completed for either CCDF (Child Care Development Fund) or OMWPK (On My Way PreK). These are state-funded resources, not MCS-funded scholarships, so you are responsible for applying for the appropriate voucher online. If you have not been approved for a voucher before your child starts school you will be required to pay the weekly cost of preschool tuition (\$110/wk full-day & \$80/wk half-day). If you do not qualify for voucher assistance, you may then fill out an application for Free & Reduced Lunches. Proof of denial for CCDF/OMWPK must be provided as we do not receive funding from this program. If you already have a CCDF voucher and need it transferred to an OMWPK voucher for the next school year, please reach out to Erica Dunagan (contact info below) to let her know.

Please visit the website below to complete the application:

When filling out the application, please be sure to:

- List **ALL** the children in the household, and their names and birth dates.
- List **ANY** income that comes into the household (or if the parent is currently enrolled in school).
- Apply for the upcoming school year (August 7, 2024 - May 28, 2025).

If you need assistance in applying, please contact **River Valley Resources at 812-265-2652**, they are located at 100 E. Second Street, Madison.

You may also set up an appointment with your school and we will be happy to help you through the application as best as we are able.
