## **Falcon Four Recognition: Levi and Jason!**

*Levi and Jason were monumentally helpful for me. I asked them to go to another teacher and ask for them to come down to my room. They went right away. When they came back, they continued to help me for the good of the student. They also used great judgment in their response in front of others. I am so grateful for their help, and proud of their behavior. Thank you.*

**Be proud,
