Falcon Four Recognition: Brandon, Addison, Carley, and Sophie!

I have noticed on more than one occasion that Addison has helped a student in class with math. The student was SO proud of himself for finishing the work in class and he shared that Addie deserved a whole pile of falcon tickets for really helping him understand the work. I don't believe she knows the impact that she has had on this classmate by her acts of patience and kindness. It has been really cool to see!

Carley has been so kind and inviting to new students. Thank you!

**Be proud,
Falcons!**

Sophie is always being helpful to other students. Sophie goes out of her way to make sure whoever she is working with is included and understands the content. Sophie is great to have in class and is a benefit to whoever she sits by 😊

Brandon was very respectful to his reading partner. He used encouraging words and was positive about the growth she showed in her fluency.

Falcon Four

1. Respectful
2. Responsible
3. Resilient
4. Ready to Learn

**Falcon Food for
Thought:**
Practice patience.
