

**Porter Ridge High School Advanced Placement Contract
2022.2023 School Year**

Student Name: _____

Student ID: _____

Grade for 2022.2023: _____

Advanced Placement Courses

Students who sign up for an AP course understand this is a yearlong commitment. Some of the AP courses require students to take an honors companion class the 1st semester and the AP course 2nd semester (Biology and Chemistry). When signing up for these courses it is for the full year. **Students will be expected to complete both semesters.** As we build our schedules based on student requests **students will not be permitted to drop the AP course after signing below.** Please consider that AP courses are college-level courses with very high expectations and an increased amount of work both in and out of the classroom. If you have any questions regarding AP courses, please feel free to contact your child's counselor or the AP Teacher of that course.

Since students receive an extra quality point in the GPA it is expected that students will take the AP exam in May. **Should a student elect not to take the AP exam, the final course grade will drop to the next lowest letter grade.**

List below the AP courses that you are selecting for the 2022.2023 school year.

I understand the commitment of taking an AP course.

Student Acknowledgement (Signature) _____

You are acknowledging that you understand the commitment of taking an AP course.

Parent/Guardian Acknowledgement (Signature): _____

You are acknowledging that you understand the commitment of your child taking an AP course.

School Counselor Acknowledgement (Signature): _____
