Collaborating and Chatting

Join us LIVE April 2, 2020, starting at 1:00 ET for an afternoon dedicated to helping you navigate your new role providing instruction for home-based learning during the time of COVID19 social distancing. This team of national and state art education leaders are rallying art teachers to support and assist each other through these difficult times not only in education, but in our world.

This virtual convening will take place on the [Online Art Teachers \(K-12\) Facebook group page](#). Presentations and resources will be archived for later viewing, however members are encouraged to join us the day of so presenters can answer questions live. We look forward to collaborating and chatting with you!
