- ☒ Student attitude and interest surveys
- other

Procedures used to evaluate the collected data:

Data evaluates quantitatively focusing on measurement and numbers for comparison and trends for example in participation number and placement/completer rates. Qualitative evaluation directs a thorough and in-depth

understanding of data from the surveys and internal/external evaluations. Data is also reviewed by the joint agricultural/business advisory committee for suggestions to be made for improvement of each department.

Who collects the data A+ Coordinator/Vocational Coordinator, Vocational Business Teacher/Agriculture Teacher

Who reports the data? A+ Coordinator/Vocational Coordinator, Vocational Business Teacher/Agriculture Teacher

Who analyzes the data Administration, Business Department, Joint Agricultural/Business Vocational Advisory Committee

Success of program based on the data (benefits):

- Increasing enrollment in vocational business classes
- Maintaining strong membership numbers and participation in FBLA
- Upgrade for technology and equipment through use of FV4 funding

Recommended changes needed to achieve the goals and objectives of the program:

- Matching funds from district for upgrades of equipment and technology purchased with FV4 grant money.
- Adjustment of yearly schedule so that more students can participate in vocational classes

Action to be taken:

- Figure a way to have completers in the business area to continue to apply for FV4 grant money to upgrade equipment and technology
- Meet with counselor and principal to arrange schedule

Change made in the last two years:

#### **2022-2023**

- Replaced all Windows-based desktop computers with iMacs through FV4 50/50 funding in fall
