Taking the PSAT8/9 at High School East

WHAT IS THE PSAT 8/9?

The PSAT 8/9 is a free test that will help you and your teachers figure out what you need to work on most so that you're ready for college when you graduate from high school. It tests the same skills and knowledge as the SAT, PSAT/NMSQT, and PSAT 10 — in a way that makes sense for your grade level. The duration of the exam is 2 hours, 45 minutes.**

WHY TAKE THE PSAT 8/9?

- The PSAT 8/9 establishes a baseline measurement of your college and career readiness as you enter high school. It also gives you a chance to preview the format of the Revised PSAT.
- The test is a shortened version of the "Redesigned" SAT, which will debut in March, 2016. The SAT is often required as part of the college admissions process. It is a good practice test, and only you and your counselor see the results.
- Test results will be available online in about 8 weeks. You will receive individualized tips on how to improve skills in anticipation of taking the PSAT and SAT in the future.

The use of cell phones, PDA'S, MP3 and electronic devices are strictly prohibited in the PSAT 8/9 testing area!
