

The Public Schools of Brookline
Student-Parent Agreement Regarding Student Technology Use

My student, _____, and I have read and understand the Student Technology Use Policy. We hereby acknowledge our understanding of the following:

- That the purpose of the Public Schools of Brookline (PSB) network, internet, and other technology devices is academic;
- That the use of PSB network, hardware, and other technological devices is a privilege, not a right;
- That should this student violate the Student Technology Use Policy with inappropriate behavior, penalties may include, but would not necessarily be limited to, disciplinary action up to and including expulsion from school, suspension, legal action or referral to appropriate authorities, and/or permanent revocation of all rights to have a PSB account or to use a PSB computer or the PSB network; and
- That should we decline to sign this agreement, this student will be prohibited from independent use of the PSB computers and networks.

Further, this student agrees to:

- Abide by all rules which are in the Student Technology Use Policy (available in the School Committee Policy Manual or in the Parent Resources section of the Parent Portal);
- Release the PSB from any liability or damages that may result from my use of the network (parents must release on behalf of a minor);
- Respect other users' data;
- Not allow other individuals to use my account and to not provide anyone else with my password;
- Not post or transmit telephone numbers, addresses, or other personal information;
- Immediately report to a teacher or principal the discovery of material that may constitute a threat against the safety of fellow students, staff members, or property of PSB, or that is otherwise inappropriate; and
- Accept that the PSB may monitor the use of the PSB network/equipment from time to time, to ensure appropriate use of the technology.

My signature here indicates that my student and I have read and understand the policy and agree to the terms of this contract and that we indemnify the PSB and the Town of Brookline for any and all financial and legal liabilities which may result from this student's use of the PSB network and/or internet connection.

We have read and discussed this contract and agree to abide by its content.
