Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

District Goals

The Pendleton School District has four goals. Goal #1: Instructional Excellence. By investing in our staff, we hope to ensure a highly skilled educator will be in every classroom teaching our students. Goal #2: Be responsive to the needs of all students. Students can only reach their full potential if they are safe, valued and feel a part of a larger group. Goal #3: Encouraging innovative and emerging practices, strategies and programs. We will explore new frontiers in providing 21st Century learning experiences to our students. Goal #4: Establish and maintain the Pendleton School District brand.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
