Offer transition meeting to any student who needs additional support, even if they do not have an IEP. Hero Week- coming up in May- act of kindness. Members of kindness team share a quote on PV TV. Chain reaction of kindness.

❖ Open for questions-

- Safe 2 Say Something- students are hesitant about the anonymity of this. Fact-Only if the tip is a joke, or a hoax it may be reported with a court order to anonymity. Focus in on being able to help someone and save lives. Remind students that is a crime to release name of caller without a court order, so their anonymity will be protected.
- McMurray friendship group- note came home but student never said anything- students are not forced to come, it is their choice to join in
- Bullying at MS and McM level- parents noticing that things are turning into group behavior. Change wording to Conflict resolution.
- Tremendous amount of pressure to have devices in school- social media is part of this world and rolls into school even when things happen at home-
- Parents feel counselors are the end-all for every problem- but the onus is really on the parents. The truth lies somewhere in the middle.
- Encourage all parents to take notice and discuss any conflicts- are we going to give up or to try one more time

❖ **Report of School Board Representative-** Lisa Anderson

- Thanks to AC for book donation in recognition of SB appreciation month- collective bargaining approvals for teachers, bus drivers and clerical. Approved resolution which will not raise taxes above the 2.3% index. Approved new nonfiction SS book for grade 8 "Carl's Story", WWII story by a local author. Approved new calendar for 2019/2010.

Construction on HS is right on target. McMurray plancon has been submitted. PV field will add roofs to dugout. Added special ed to PV- Naming rights for HS under discussion. Safe2say app presentation possibly at the next area council meeting. Difference between reporting a rumor, or STARTING a rumor. The safe tips forms will still be available through 6th grade, but MS and HS will only have one format available. Data presentation regarding all test scores was December 3rd and is posted on school board site.

Encouraging every HS students to take at least 1 ap class.

- ❖ **Administrative Reports-**
 - Assistant Superintendent- Dr. Jennifer Murphy- construction manager, Michelle Reynolds reports that the HS construction is a little behind schedule due to rainy season- also waiting for steel. Building is slated to open in October of 2020 so the calendar for school year of 20/21 is very tentative- it will likely change a great deal prior to approval by January 2020. Education committee is in a 7-12 math, with few changes expected. Rachel's Challenge training for all HS staff called Chain Reaction was well received. 60 students attended World Leader meeting. FOR club reached out to Baldwin- Rachel's Legacy is new program we are looking into. HS student drivers- most drivers ever! Should be in parking spots by 7:20 to keep traffic pattern safe. Officer Stevick and parking lot attendants have had to pull passes for late kids and unruly drivers. Graduation is a hard stop for June 7th- but seniors most likely will have to attend school on that day. Instructional hours are not impacted by 2-hour delay.
 - Assistant Superintendent, Curriculum- Mr. Michael Fischer- Safe to Say Something- Reports anonymous – launched in January- provides anonymous reporting through app or website. Trained crisis hotline counselors take the call and report life safety event immediately. Has

been a very positive thing for us. One text message to 5 school administrators and phone call to Mr. Fisher. It has worked very well. Parents could also use the app and make a report as well. Working with the nurses to follow-up with students to document health and physical forms. Dibbles Is (now Acadience) assessments seeing improvement on every level. PSSA assessment dates rolling out in April

- Director of Pupil Services- Mrs. Patricia Kelly not present
- Communications Coordinator- Mrs. Shelly Belcher- Rough 20/21 schedule handed out. March 3rd and 13th ALICE training for parents focusing on parents' roles during reunification. Emergency cards provide vital information for reunification. Summer will have another drill with police at a different school (did HS last year) looking at getting even more volunteers to simulate true emergency. ALICE drills are truly a surprise for schools now to be more authentic. Feedback regarding where to place snow days
- ❖ **Report of School Board Representative-** Lisa Anderson- approved 2 teachers to go on seminars for AP readers. (learn how to score the test which will help on instructional level as well) Cyber Liability policy has been approved- protection against possibly getting hacked losing personal info. Tobacco policy includes electronic cigarettes and nicotine delivery items.
- ❖ **Directory Update-** A to Z- no longer providing a print directory- all schools will have access to a digital directory for schools that their children are in plus access to a district level information. Focus on training teachers and parents now that there is not print copy. Meeting with all schools to be scheduled soon. Julie and Samantha willing to help. Most hurdles have been met and dealt with by A to Z
