

# PROJECT: WISE

## One-week Summer Camp at Clemson University

**June 23<sup>rd</sup> – 28<sup>th</sup>, 2019**

*Science, Technology, Engineering, and Math:  
A camp for **rising 7<sup>th</sup>-8<sup>th</sup>** grade Middle School girls!*

Overview: Women are an important part of Science, Technology, Engineering, and Math, commonly known as STEM. Pursuing these majors offers a world of interesting and exciting careers that improve the lives of everyone.

In the past, our Project Wise girls have built solar-powered robots, designed web pages, and learned about water sustainability. This summer promises to be just as exciting!

### Objectives:

- Strengthen interest and confidence in engineering and math focus areas
- Increase self-esteem and team building skills
- Experience Clemson University's campus
- Meet fellow campers from across South Carolina and surrounding states
