

# QPR FOR ADULTS

This is a suicide prevention training where the participant learns to recognize warning signs of a suicide crisis and how to Question, Persuade, and Refer someone to help appropriately. Youth MOVE PA provides this training to professionals and adults as an emergency mental health intervention for suicide. This training is held virtually on Zoom.

- Recognize the warning signs of suicide
- Know how to offer hope
- Know how to get help and save a life
- QPR Booklets & Tri-fold Cards will be sent by mail
