End of Year Band Checklist

Thanks for a great year! I had a blast teaching your children this year. Here is a list of things that students should take care of before the end of school.

- **Return all school owned instruments to Mr. Hovey ASAP.**
- **Take all personal instruments home for the summer. This would be a great time to send instruments into a repair shop to get cleaned, checked, and ready for next year.**
- **Clean out your band locker.**
- **Return any school owned supplies like lesson books, jazz band books, woodwind ligatures, saxophone neck straps, etc...**
- **Check grades**
