

Quaver Music Access Directions

From Launchpad for Grades 3-5

Log into Launchpad. <https://launchpad.classlink.com/rockhill>

*Allowing Flash will be a more detailed experience, but it is not required.

Click on the Quaver Music icon.

If the student has logged in before, they will be all set. See instructions for finding assignments below.

If the student has not logged in before, the username and password is the same one they use to log into their computer and to Launchpad.

Finding assignments

Once logged in to individual account

Click on the “STUDENT” tab at the bottom of the storefront.

This visual says “teacher” but yours will say “student.”

Click on “Assignments”

Click on the **pink box** that has the current date.

Click on “Launch” on the bottom right.

Try out the “APPS” tab at the bottom of the storefront.

Have fun and learn something new!
