QUESTIONS FOR THE PARENT/GUARDIAN TO ANSWER

1. Why do you want your child to attend University Collaborative Program?

2. Students are most successful when the school staff, the parent/guardian, and the student work together. Do you agree to the following expectations for the WVSU Collaborative Program parent/guardian?

- Assist the student in scheduling two hours each day for study and homework.
- Ensure that the student has reliable and punctual transportation to school and other school functions or programs.
- Support regular attendance and call in any excuse on the day of an absence.
- Keep up on the WVSU Collaborative Program activities by reading all materials sent home and the web site.
- Encourage and expect the student to attend college after graduation.
- Monitor the student's progress in both high school and college courses.
- Attend any meetings or conferences arranged by the WVSU Collaborative staff.
