

Mistakes that Worked

Answer the following questions about your topic in your notebook on page 13.

1. What is your topic?
2. Is there any background information that we need to know about the topic?
3. When was it created?
4. Who (or what company) created/discovered it?
5. Why was it a “mistake” or an “accident”?

Reference all of the sources that you used in APA format.

In one sentence and in your own words, write down what you think the purpose of this activity was.
