ROUGH RIDER AREA CAREER & TECHNICAL CENTER

RACTC Newsletter

December 2013

Mission of Career and Technical Education

The mission of the State Board for Career and Technical Education is to work with others to provide all North Dakota citizens with the technical skills, knowledge, and attitudes necessary for successful performance in a globally competitive workplace.

From the Director

Mr. Hauck, welding instructor, from Dickinson High School critiques a Hebron student's weld.

Eight years ago superintendents, principals, school board members and North Dakota CTE administrators began the discussion of creating virtual technical centers in North Dakota. The first meeting for the Roughrider was held on February 13, 2008. By April 7, 2008, a governing board comprised of one school board member from each member school was in place. By the end of August 2008 the Roughrider Area Career and Technical Center was delivering classes to 145 students in southwest North Dakota. Another 22 students from Dickinson High School signed up for the spring semester. In 2012 student numbers reached a record high of 401 students from across southwestern and at 396 student units.

Funding for the Roughrider has moved from 60% state funding to 40% state funding in its sixth year, and will remain at 40% for years to come. It is the goal in the 2015 Legislative session to increase funding to 50% for Centers and 40% for local districts. This would include Family and Consumer Science.

Over the course of seven years students number have increased while state funding has decreased. It is the goal of the RACTC to provide quality courses and remain competitive with other distance education networks in North Dakota. It s the goal of the RACTC to provide the skills necessary to compete in the 21st Century.

Students in the lab at St. Joseph's Hospital.

Health Care Explorers

Over the years Dr. Arnold , Mitzi Swenson and staff at St. Joseph's Hospital in Dickinson, North Dakota have worked with high school students who may have an interest in the medical field. Thank you St. Joseph's Hospital for your contribution to providing opportunities for the students of southwestern North Dakota.

center costs

	<u>Salary</u>	<u>Center Contribution</u>	<u>State Reimbursement</u>
Administrative	\$108,126.00	\$65,676.00	\$42,450.00
Health Careers	\$129,333.00	\$77,600.00	\$51,733.00
Center Operations	\$80,000.00	\$48,000.00	\$32,000.00

The salary column includes the employees salary, social security, teachers fund for retirement, benefits, travel, equipment and supplemental supplies.

The salary column is inflated due to unknown costs in travel, lodging, and the purchase of supplies.
