

Name _____

Assignment Name: Rainfall. Raindrops. Splash. Reflection

Objective: Create a minimum of 3 photos from at least 3 categories (total 9). Rainfall, raindrops, reflections in puddles, splashes.

4.0-3.3 **A Exceeding Standards.** Student demonstrated mastery of the skill and exceeded standard.

3.29-2.6 **B Meeting Standards.** Student met the standard and shows they are ready to move forward.

2.59-1.6 **C Approaching Standards.** Student shows some basic understanding of knowledge or skill. Reassessment encouraged.

1.59-0 **NC Developing Standards.** Student demonstrates little to no understanding of standard. Reassessment needed.

Standards: 1.d. Students will create photographs using camera controls including shutter speed, aperture, focus, zoom, ISO, flash, modes/settings in their photography

Instructions: student self assess grade by placing a green X in each column.

Teacher adds grade and comments in blank columns if approaching or exceeded and area of concern.

| Exceeded | Met - do not overwrite text. | Approaching | Area of Concern |
|----------------|---|-------------|-----------------|
| | Content: Minimum of 3 photos in 3 categories. | | |
| | Composition: composition, viewpoint, and angles enhance subject and shows focal point. | | |
| | Focus: accurate focus. | | |
| | Exposure: correct, with shadow and highlight detail. | | |
| | Aperture: Depth of field appropriate to enhance subject. | | |
| | Shutter speed: appropriately freezes or blurs motion. | | |
| | Lighting: Enhances subject. | | |
| | Creativity and Craftsmanship: Shows thoughtful care to produce an effective, artful photo. | | |
