

Rain Forest Fun!

Distance Learning Activities for Grades K-2

If you have any questions, please email me at kimberly.kovach@ucps.k12.nc.us
Have fun!

Read/Listen: Read a musical rain forest story! Visit [Capstone Books](#) (Username: continue Password: reading) and use the search feature to find the book *Where Birds and Monkeys Play: Rainforest Animals*.

Research/Learn: Go to the database [PebbleGo.com](#) (Username: engaged Password: learning) and search using the keyword: rain forest (be sure to separate the words) & choose any article below:

- Living in a rain forest (Social Studies)
- Tropical rain forests (Science)
- Rain forest plants (Science)
- Rain forest animals (Animals)

Make/Create: Origami is the art of paper-folding. Its name derives from Japanese words ori ("folding") and kami ("paper"). Traditional **origami** consists of folding a single sheet of square paper (often with a colored side) into a sculpture without cutting, gluing, taping, or even marking it. Try this fun [Turtle Origami project!](#)

Rain Forest Fun!

Distance Learning Activities for Grades 3-5

If you have any questions, please email me at kimberly.kovach@ucps.k12.nc.us
Have fun!
