

Ratios Project

Today you are receiving a trail mix baggie. This will be for you to enjoy AFTER you finish your project! You must follow the steps below:

1. Create a poster on a piece of paper showing what you know about ratios.
2. You must include the definition of ratios, ways to express ratios, and ways to write ratios.
3. You must also include the following ratios of your trail mix:

| Marshmallows | Fruit Loops | M&Ms | Animal crackers | Gold Fish |
|--------------|-------------|------|-----------------|-----------|
| | | | | |

| | |
|-------------------------------|--|
| Marshmallows : Fruit Loops | |
| M&Ms : Animal Crackers | |
| Gold Fish : Fruit Loops | |
| M&Ms : Total Trail Mix | |
| Total Trail Mix : Fruit Loops | |
