## ECW Reading Challenge

Classes are challenged to read the most books possible during Read Across America week at home or at school. The homeroom class with the most books read will receive a Cane's meal certificate for each student. Happy Reading!

Instilling a love of reading early gives a child a head start on expanding their vocabulary and building independence and self-confidence. It helps children learn to make sense not only of the world around them but also people, building social-emotional skills and of course, imagination.

"Reading exposes us to other styles, other voices, other forms, and other genres of writing. Importantly, it exposes us to writing that's better than our own and helps us to improve," says author and writing teacher, Roz Morris. "Reading—the good and the bad—inspires you."
