

I am a K-2nd grade Reading Specialist and have been working in Winthrop Public Schools for 8 years. The staff, students, and families here make it a wonderful place! I have an undergraduate degree from Western Connecticut in Elementary Education and English, and a master's degree from Lesley University in Specialist of Reading. Before becoming a Reading Specialist, I taught Kindergarten for five years. I love working with young readers, and helping them learn and grow! I look forward to working with you and your child this school year. Please email me with any questions!
