Coach Bors Steps Down

Riverside Head Football Coach and Athletic Director **Dave Bors** has announced that he will be stepping down from his position as head coach of the varsity football team after 14 seasons. He will remain in his position as the District's Athletic Director.

Bors was hired as head coach of the Riverside Beavers football team in 2010. He took over a 2-8 football team and has since achieved remarkable success.

Beyond the wins and losses, Bors has been a mentor and role model to countless student-athletes on and off the field while focusing on instilling values of discipline, teamwork, leadership, commitment, work ethic, community, positive attitude and determination.

"I am proud and honored to have been able to have served as the head coach for the Riverside Beavers for the last 14 years," Bors said. "It's humbling to be a small part of such a great District and community. I cannot thank everyone enough for all of the support and effort in helping to get this program to one that is recognized and respected statewide. I have said many times that this has taken a tremendous amount of hard work by a lot of tremendous people.

"With that said, I would like to give my sincerest

thanks and gratitude to my wife, three daughters and family, all of the past and current high school, middle school, and youth coaches, all of our great players, parents, cheerleaders, trainers, administration, school boards, teachers, staff, Gridiron Club, and ultimately, the entire community of Riverside Nation. It could not have been done without you. I will forever cherish so many great relationships built, triumphs accomplished, and experiences had, so again, my sincerest thanks and gratitude to everyone.

"I look forward to continuing to work with all of the Riverside student-athletes and coaches in my role as Athletic Director and am extremely confident the football program will continue to build upon its success next season and beyond."
