

RECORD OF A MEETING OF THE BROOKLINE SCHOOL COMMITTEE ON
THURSDAY, JUNE 20, 2024 AT 4:00 PM, REMOTE VIA ZOOM. STATUTORY
NOTICE OF THIS MEETING WAS FILED WITH THE TOWN CLERK.

School Committee Members present: Andreas Liu (Chair), Suzanne Federspiel (Vice Chair), Helen Charlupski, Steven Ehrenberg, Valerie Frias, Sarah Moghtader, Mariah Nobrega, and Carolyn Thall. *School Committee Members absent:* Jesse Hefter. *Staff present:* Linus Guillory, Superintendent; Susan Givens, Deputy Superintendent for Administration and Finance; and Karen King, Interim Director of Operations.

Dr. Liu opened the meeting at 4:00pm.

1. SCHOOL COMMITTEE ACTIONS

a. Review and Possible Approval of the Memorandum of Understanding for the 150 Fisher Avenue Premises (formerly Newbury College) to accommodate Grade 6-8 Students from the Pierce School

Dr. Guillory and Dr. Givens shared the Memorandum of Understanding (MOU) between the PSB and the Town of Brookline for the use of 150 Fisher Avenue (the former Newbury College), for use by grade 6-8 Pierce School students during the school construction project (Attachment A). Staff have been working on this MOU for many months to ensure that it reflects the needs of the Pierce School community. The Town Information Technology Department and Building Department will occupy the lower level; the first and second floors will house the Pierce Middle School (grades 6-8). Dr. Givens highlighted some of the changes made to the MOU to ensure that the full range of activities associated with a middle school are permitted, including increased hours of usage (previously ended at 3:30pm, now ends at 7:00pm). Dr. Givens reported that we have secured permission for an outdoor shed, which is necessary for the storage of Physical Education supplies. She also noted that there is ample staff parking on site, even after one of the parking areas (Area C, Exhibit B) is repurposed as an outdoor play court. Members asked that Exhibit B be revised to reflect the new play court, with a notation to reflect the corresponding reduction in parking spaces. Student drop-off will be curbside on Fisher Avenue.

Ms. Charlupski motioned to approve the MOU, and it was seconded by Ms. Thall. Dr. Liu asked members if they had any questions or comments. Members thanked staff for all of their work on this MOU, but noted that, overall, the tone of the document feels adversarial. For example, page 1, number 1, "There will be no after-school programing allowed at the Building". Even though an exception clause has been added, it appears burdensome to require the principal to seek permission for every possible after-school activity. Another example is the prohibition of the use of the loading dock (number 2, last sentence). While use of the loading dock is not anticipated, it might be necessary at some future point. Finally, the clause that allows the Town to terminate the Agreement is unreasonable (number 4, last sentence).

Dr. Givens will work with our Town partners to revise the MOU so that it reads as a collaborative document reflecting the shared use of a public building. The revised MOU will be presented to the School Committee at the June 26, 2024 meeting.

ACTION 24-66:

On a motion of Ms. Charlupski, and seconded by Ms. Thall, the School Committee VOTED UNANIMOUSLY, by roll call, with 8 in favor (Dr. Liu, Ms. Federspiel, Ms. Charlupski, Dr. Ehrenberg, Ms. Frias, Ms. Moghtader, Ms. Nobrega, and Ms. Thall), 0 opposed, and 0 abstentions, to postpone action on the 150 Fisher Avenue (formerly Newbury College) Memorandum of Agreement until the next meeting, scheduled for June 26, 2024.

2. ADMINISTRATIVE BUSINESS
a. Consent Agenda

ACTION 24-67:

On a motion of Dr. Liu, and seconded by Ms. Charlupski, the School Committee VOTED UNANIMOUSLY, by roll call, with 8 in favor (Dr. Liu, Ms. Federspiel, Ms. Charlupski, Dr. Ehrenberg, Ms. Frias, Ms. Moghtader, Ms. Nobrega, and Ms. Thall), 0 opposed, and 0 abstentions, to approve the following items:

- i. Past Records: June 6, 2024 School Committee Meeting
- ii. Student Trip: Brookline High School Music Collective, Netherlands Performance Trip, April 17, 2025 – April 23, 2025 (Attachment B)
- iii. BHS Tunnel Structural and Waterproofing Repairs Project: LeMessurier Engineering, Contract Amendment No. 2, \$30,100.00 (Attachment C)
- iv. Public Works Contract No. PW/24-22, 124 Fisher Avenue Parking Lot Improvements, A&D Services, Inc., \$77,518.55 (Attachment D)
- v. Approval of Budget Transfer: \$120,000.00 from the Driscoll School Construction Project Account to the School Maintenance Electricity Account (Attachment E)

Dr. Liu adjourned the meeting at 4:25pm

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING (this “Agreement”), is entered into as of this ____ day of _____, 2024, by and between the **Town of Brookline** (“Town”), acting by and through its Select Board, with its municipal offices located at 333 Washington Street, Brookline MA 02445 and the **Public Schools of Brookline** (“PSB”), acting by and through its School Committee, with its offices also located at 333 Washington Street, Brookline MA 02445, both parties herein referred to jointly as the “Parties”.

WHEREAS, the Town is the owner of certain property located at 110 Fisher Avenue, 150 Fisher Avenue, 146 Hyslop Road (a/k/a 129 Fisher Avenue) and 124 Fisher Avenue in Brookline, Massachusetts (collectively, the “Premises”); and

WHEREAS, PSB needs space to accommodate Grade 6-8 students from the Pierce School during its planned renovation and until the project is complete.

WHEREAS, the Premises contain a building formerly owned by Newbury College (the “Building”) whose certain designated facilities at 150 Fisher Avenue, as displayed on floor plan Exhibit A could be repurposed for use as a Middle school; and

WHEREAS, while the Town is currently using the Building for several municipal purposes, portions of it remain vacant and currently available to address some of the need for space during the Pierce School renovation;

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and PSB agree as follows:

1. PSB shall only use the Academic Building on the site. PSB will be able to use the first and second floor portions of the Building as designated on the Floorplan attached hereto as Exhibit A as space for existing designated Pierce School students, teachers and support staff and programs, including all attendant and related uses thereto as necessary, including Rooms 102, 103, and 105 currently utilized by the IT Department, but not Rooms 104A, 105A, 106, 103E1, and 103F1. No other non-Pierce school programs or non PSB staff shall be permitted on the site. PSB shall have the right to enter and exit the Building from the designated entrances, which shall not be entrances to the lower two floors, and the Town shall provide copies of any keys, access codes, identifiers and other means of entrance necessary to access the Building. PSB will not have access to any other building on the Premises. PSB’s use of the Building shall not extend to use for school purposes other than swing space during the Pierce School renovation. There will be no after-school programming allowed at the Building.

PSB may utilize Fisher Hill Park and outdoor areas adjacent to the Academic Building for recess or for satisfying other student needs for outdoor space, but only pursuant to the following requirements:

- PSB may use Fisher Hill Park only when it is designated as “open” by the Parks and Open Space Division of the Department of Public Works. All parties

recognize the Park is generally closed during rain and periods of freezing or thawing.

- PSB agrees to repave a designated portion of the parking lot on site and to lay out “hard court” play areas in that space, with all costs borne by PSB.
- PSB will coordinate its schedule for using Fisher Hill Park with the Parks and Open Space Division to insure the Division can adequately prepare Fisher Hill Park for practices and games.
- PSB cannot use Fisher Hill Park after school hours.
- PSB will provide any outdoor seating areas or playground equipment such as basketball hoops, and will be responsible for removing same unless given written authorization from the Town.
- PSB and Department of Public Works may work together to design classroom/educational activities for Fisher Hill Park.

2. Parking. Parking is available on-site in five separate areas delineated Areas A-E as show on the Parking Plan attached hereto as Exhibit B. Under the terms of this Agreement, PSB will have the right to utilize only Parking Areas B and C Monday through Friday. Parking Areas B and C may be used by PSB for staff or visitor parking, as PSB sees fit, but the Town will have the right to use Parking Areas B and C during the weekends. Parking Area D is for Public use. Parking Areas A and E cannot be used for handicap parking. No Parking Area, including Parking Areas B and C, may be used for pick up or drop of students, nor may they be used for deliveries. The driveways on the north side of the building, used to enter and exit Fisher Avenue, are for Town use only; this also include the driveway on the east side of the property that leads to Parking Area A. PSB shall not use these driveways for deliveries, pick-up/drop off, storage, refuse removal, or standing/ non standing parking. All School deliveries are the responsibility of the School Department staff to receive, and shall be received on the first floor area of the Building designated as classroom space. PSB shall not use the parking lot adjacent to Fisher Hill Park for parking. The loading dock servicing the Academic Building shall be solely for use by the Building Department or IT Department.

PSB shall have bus and van service drop off and pickup in front of the building located at 150 Fisher Ave. PSB requests signs be posted designating the space for school bus, van and delivery vehicles only. Staff from the Town and PSB will review the plan for conformance with this MOU.

To the extent parents, PSB staff, or students utilize street parking around the Premises, they shall not, in doing so, block access to any Town parking lots. Parking or standing on Hyslop Road will not be permitted.

PSB shall be responsible for installing all necessary barriers and signage as required.

3. Term. The term of this Agreement shall be from June 1, 2024 to, forty-five (45) days after the New Pierce School obtains a Temporary Certificate of Occupancy, unless extended by mutual agreement memorialized in writing by both parties. Parties may, by mutual agreement, terminate this Agreement at any point.

4. Designated Use: Occupancy shall be based on the same access granted to other PSB school staff. Teachers and support staff shall have access the first weekday on or after August 15 before the school year begins and through five days after the last day of school from the hours of 7 AM to 7 PM, like all other school staff. The Principals, Custodians and Admin shall have access 24/7/365 for cleaning, summer-cleaning and quiet enjoyment of the agreed upon spaces. PSB shall responsible for securing the building to the extent it is utilized after 3:30 PM, including locking all doors and windows and setting all alarms. The building cannot be sublet out to any group. The Town is not responsible for any equipment, materials, or other infrastructure left in the Building by PSB subsequent to the term. PSB shall be responsible for returning all portions of the Building used pursuant to this MOU to their original state, and shall remove all furniture and equipment from said portions of the Building unless: (a) the furniture and equipment pre-dated the term of this MOU, or (b) the Town consents in writing for such furniture and equipment to stay. Any disposal of PSB refuse, including furniture or other large items, shall be the responsibility of PSB. To the extent the Town is forced to incur costs associated with clearing out the Building following PSB usage, PSB will reimburse the Town for those charges.

In the event the Town determines that PSB, or any of its agents, are utilizing the Building for purposes other than those stated in Section 1, in contravention of any other section of this Agreement or in a manner detrimental to the health, welfare or safety of the surrounding neighborhood or the public at large, it may notify PSB in writing. PSB shall be given thirty (30) days from receipt of the writing to address the Town's concern. In the event PSB fails to address the concerns in a manner satisfactory to the Town within the allotted period, the Town shall have the option of terminating this Agreement.

5. Understanding as to Barred Areas. PSB recognizes that the portion of the Building designated as either "IT" or "Building Dept Space Only" on the floorplan attached as Exhibit A ("the Barred Area") is currently used by Town Departments and shall remain in use by Town Departments during the Term. The Barred Area is not included within the space made available to PSB pursuant to Section 1. Moreover, the Barred Areas may contain activities or materials that could be hazardous. The Town shall make reasonable effort and take practical measures to secure spaces and materials so PSB students and staff cannot access them, but all parties recognize that PSB shall be responsible for reasonably insuring that no students, teachers, parents/caregivers or any other individuals present in the Building as invitees, employees, or guests of PSB access the Barred Areas. PSB acknowledges and accedes to the fact that the Town's use of the Barred Area may, at times, cause noise, odor, vibration, or other effects potentially distracting to students or faculty utilizing the Building pursuant to this Agreement.

6. Indemnification. PSB shall at all times save the Town harmless, and exonerate and defend and indemnify the Town from and against any and all claims, liabilities or penalties asserted by or on behalf of any person, firm, corporation or public authority on account of nuisance or injury, death, damage or loss to person or property stemming from the use or occupancy of the

Building by PSB or anyone present at the Building as PSB's employee, agent, or guest, including students and parents/caregivers.

7. Rent. As consideration for the use of the Building during the Term, PSB shall pay rent of \$1 to the Town.

8. Maintenance. Major maintenance of the Building, including all Building-wide security, electrical, HVAC, fire prevention, and other systems, shall remain the responsibility of the Town, who shall insure to the best of its ability that all classrooms and associated areas are suitable for the use contemplated by this Agreement. PSB shall provide a full time, site designated custodian who shall be responsible for all minor maintenance, repairs, school operations, security and reporting of work orders. PSB shall also provide all custodial services for the space used, including the elevator, stairs and open areas that are below the first floor by the open stairs. PSB shall be responsible for the installation and maintenance of all technology, furniture, office equipment, network, and wifi, to run the school program. At the end of the term, unless mutually agreed upon, PSB shall remove any and all technology, furniture and office equipment. Building Department staff utilizing the Building will not be expected to support PSB usage any more so than they support any other PSB school property where students and staff occupy space.

9. Staffing. In addition to the custodian described in Section 7, PSB shall have an administrator on-site while school is in session. The on-site administrator will be the point of contact with the Building Department, and all concerns raised by parents, PSB staff, or students will be directed to the administrator, where appropriate.

10. Trash and Refuse. PSB will be responsible for all trash removal, recycling, food composting, large item disposal, disposal of hazardous materials, or other measures taken to deal with waste generated by PSB usage of the Building, including coordination with the Department of Public Works or outside vendors. All pick-up schedules for refuse must be coordinated with the Department of Public Works.

Bins and storage containers for PSB trash will be located in a parking space in a back corner of Parking Area B, as shown on Exhibit A. PSB refuse cannot be stored in Parking Areas A or E. PSB is not permitted to use any Building Department trash containers on-site. PSB shall be responsible for trash and litter pickup in all exterior areas of the Premises used by PSB staff and students and, to the extent PSB utilizes Fisher Hill Park, for Fisher Hill Park.

11. Miscellaneous.

(a) This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

(b) PSB shall coordinate with the Department of Public Works for any snow removal needs.

*REASON RETURNED:	<u> </u>	<u> </u>	<u> </u>

Thank you for considering this field trip proposal for the BHS Music Collective. This trip to The Netherlands in April 2025 will be my tenth trip with the ensemble. As in the past, I decide and build performance trips around three important areas:

- Curriculum
- Educational opportunities/workshops
- Community Service performances

Curriculum

Attached are standards for Creative decisions, Performing and Connecting to performance for musicians. This is but one of the newly revamped music standards that the students will be tackling. The Music Collective will engage in the advanced understanding standard while preparing for this trip. The Collective engages in the process of composing music that is representative of their comprehension of the current musical repertoire that they listen to, as well as my challenging musical suggestions. The ensemble must work together to create this music as well as perform the music. They leave the classroom every day with a better understanding of how to work together and provide supportive, healthy peer reviews of their work. It is expected that they apply these processes to other experiences in their daily engagements outside of the music classroom. Performing in a different environment helps with the Connecting standard, especially when performing a community service type of concert as well as a workshop performance. The essential question of, 'How do musicians make meaningful connections creating, performing, and responding?' will be different for each of these performances and ensemble members will provide a reflection in a journal after each performance to contemplate and come to their own answers for that question. We will be arranging some traditional Dutch music for the trip.)

Education/workshops

The Netherlands is home to a diverse musical universe but perhaps most known for The Royal Concertgebouw Orchestra. One alumni of BHS and The BHS Band Room, Nicky Schwartz, is a member of this prestigious orchestra and I have been in touch with him to help organize a workshop for the MC while in Amsterdam.

I believe The Netherlands will offer students an exciting opportunity to interact with exceptional musicians as well as experience the beautiful canals, art, lively cities of Amsterdam and Haarlem as well as experience a country that is at the forefront of sustainability.

outlined in the application as well as in the itinerary the cost does include:

- all dinners/breakfasts and lunch
- air fare
- itinerary items
- chartered bus 24/7 to bring us to our scheduled events
- performance opportunities
- community service public performances at local hospitals and/or homeless shelters (one or two and those are still TBA)
- music workshop

Thank you for considering this trip. All other similar trips that I have taken students on in my tenure at BHS have made lifelong positive impressions on students and I am confident this one will as well.

PROPOSED TOUR ITINERARY

DAY 1 | Thursday, April 17

FLY TO AMSTERDAM

The **Brookline High School Jazz Band's Concert Tour** of the **Netherlands** begins with an overnight flight from **Boston Logan International Airport** to **Amsterdam Airport Schiphol**.

Refer to your **MCI tour handbook** for tips on making the journey smooth and comfortable.

DAY 2 | Friday, April 18

WELCOME TO THE NETHERLANDS!

Arrive at the **Amsterdam Airport Schiphol** this morning, where your **Music Contact International** tour manager will greet your group in the arrivals hall. Together, board your waiting motor coach and transfer to your hotel for check-in.

After taking some time to refresh and unpack, embark on a **scenic canal cruise** in the city center. Cruise through a number of the city's canals and pass and take in the beautiful sites. See the **old center** of the city with elegant **merchant's mansions**, churches, and warehouses, each with their own rich history from **Holland's Golden Age**.

Tonight, a festive **welcome dinner** of traditional fare is planned for your group at a local restaurant!

DAY 3 | Saturday, April 19

EXCURSION TO DELFT & THE HAGUE | CONCERT IN THE HAGUE*

After **breakfast** at the hotel, depart by motor coach for **Delft** which is mainly known for its famous 17th century pottery "**Delfts Blue**". Aside from the pottery, the town itself is a little gem in its own right. Life is concentrated around the market square, flanked by the "**New Church**" at one end and the town hall at the other. It is also home of the famous painter Vermeer (1632-1675), who lived and worked in Delft.

Upon arrival, visit the **Royal Delft Pottery Museum**: the company museum with antique Delft Blue pieces and the production

process in the factory.

Following the tour, enjoy lunch on your own, before continuing to **The Hague**, which has been called many names: Green City by the Sea, Royal Residence, Beautiful City behind the Dunes, the Largest Village of Europe, etc. It is the third largest city in the Netherlands, seat of the Netherlands government, the home of the Royal Family and boasts 11 km of coastline and extensive public parklands. The **Brookline High School Jazz Band** will perform an afternoon concert at a local church in The Hague for a warm audience.

After your performance, enjoy dinner together at a local restaurant before returning to Amsterdam this evening.

DAY 4 | Sunday, April 20

EXCURSION TO EDAM-VOLENDAM & HAARLEM

After **breakfast** in the hotel dining room, transfer by motor coach to **Edam-Volendam**, a municipality in the Netherlands with the province of North Holland, consisting of the towns of Edam and Volendam, whose centers lie just 3 km apart.

Upon arrival in **Edam** visit a local cheese farm, where you can see the process of making cheese - a cultural experience to remember!

Continue to **Volendam** for free time and lunch on your own. While Edam is famous for the cheese of the same name, **Volendam**

is a popular tourist attraction in the Netherlands, well-known for its old fishing boats and the **traditional clothing** still worn by some residents. The women's costume of Volendam, with its high, pointed bonnet, is one of the most recognizable of the Dutch traditional costumes.

In the afternoon, meet the motor coach and transfer to **Haarlem**. A striking contrast to the big city of Amsterdam, Haarlem is an easy-going, small town with a population of around 150,000 people. Founded on the banks of the **River Spaarne** in the 10th century, Haarlem became a prosperous region, having established itself a vibrant hub for the arts by the 17th century and home to a flourishing school of painters during that time. View the impressive display of artwork throughout history displayed at the **Frans Hals Museum**,

After your museum visit, meet the coach for your return transfer back to Amsterdam.

Tonight, enjoy **dinner** together at a local restaurant in the city.

DAY 5 | Monday, April 21

SIGHTSEEING IN AMSTERDAM | WORKSHOP WITH THE ROYAL CONCERTGEBOUW ORCHESTRA | FRIENDSHIP CONCERT*

After **breakfast**, take a self-guided tour of the **Anne Frank House**. View the rooms of the Secret Annex, which have been maintained in their authentic conditions. Although the rooms remain empty of all furniture - they were removed during the arrest - documents belonging to the eight people who had been in hiding, are displayed in the annex. Through the words of Anne's diary, original objects, documents, and photographs, visitors are transported back in time, experiencing the atmosphere to that of the hiding period.

Later this afternoon, the **Brookline High School Jazz Band** will have the special opportunity to participate in a **musical workshop** with the renowned **Royal Concertgebouw Orchestra**, considered one of the leading orchestras in the world.

After your workshop, the **Brookline High School Jazz Band** will perform a **friendship concert** with an enthusiastic local ensemble at a nearby school, church, or similar venue. Enjoy the unique cultural exchange that can happen when two choirs come together to make beautiful music this evening.

Tonight, **dinner** is served at a local restaurant in the city.

DAY 6 | Tuesday, April 22

SIGHTSEEING & SINGING IN AMSTERDAM | GOODWILL CONCERT*

After **breakfast**, enjoy a visit to the **Van Gogh Museum**. Featuring over 200 paintings, 437 drawings, and 31 prints, the museum contains the largest collection of paintings by Van Gogh in the world!

After your museum visit, enjoy free time for lunch and exploring in chaperoned groups.

As Amsterdam is known for its rich history as the *City of Diamonds*, you may wish to visit the **Diamond Experience** (additional fee). The **Diamond Museum** is a visual information center highlighting all aspects of diamonds and the diamond industry in Amsterdam. Admire stunning diamond exhibitions, including such famous stones as the Koh-I-Noor, the Cullinan, and the Rembrandt.

This afternoon, you have the opportunity to **perform your music** to an enthusiastic audience of senior citizens at a **local senior community**.

Tonight, a **festive farewell dinner** is served at a local restaurant. There will be ample time to recount the highlights of the tour. Following dinner, return to the hotel to finish packing and to get a good night's rest.

DAY 7 | Wednesday, April 23

FLY HOME

After **breakfast**, check-out of your hotel in and transfer to the **Amsterdam Airport Schiphol**.

The **Brookline High School Jazz Band's Concert Tour of the Netherlands** ends with a return flight to **Boston**. Heartfelt goodbyes are exchanged at the airport and your group is sent off with a fond "Thank you for connecting our world through your music. Until we meet again.....!"

**All performance opportunities and venues proposed in this itinerary are pending final confirmation and availability at time of booking. Your group's final program will be determined by confirmed times and locations for concerts, workshops, entrances and other activities. Although your ensemble's exact itinerary will vary to accommodate performance schedules, the same type of singing experiences, activities and caliber of venue will be included in your final concert tour program.*

Your Tour INCLUDES:

COMPLIMENTARY TRAVEL - *you deserve it!*

- 2 free land & air packages in single occupancy for a minimum of 20 paying travelers

FLIGHTS - *professionally managed with group airfare*

- Round trip flights for your group from Boston to Amsterdam

Our flight team handles custom flight requests and upgrades.

ACCOMMODATIONS - *thoughtfully selected to match group needs*

- 5 nights in a 3 or 4-star hotel central to Amsterdam or located just outside of the city.

MEALS - *varied, flavorful, and highlighting local cuisine*

Breakfast daily at your hotel

5 multi-course meals, as follows:

- Dinner at local restaurant in Amsterdam
- Festive farewell dinner in Amsterdam

Additional meals can be arranged upon request.

PERFORMANCES, WORKSHOPS, and EXCHANGES *that are customized, unique, and inspiring*

Music is the heart of this tour and the suggestions made here reflect the type of performances, venues, musical exchanges, and experiences we will arrange for your ensemble. Impromptu singing on tour is encouraged!

4 performance & singing opportunities*:

- Concert at a local church in The Hague
- Afternoon workshop with The Royal Concertgebouw Orchestra

- Friendship concert with a local ensemble in Amsterdam
- Goodwill concert at a local senior community in Amsterdam

**These arrangements are pending confirmation. Confirming concerts is a process, which requires registration of your ensemble for this tour along with your current biography, sound samples, photos, and repertoire. In some cases, additional separate applications must also be submitted. Organizers, venues, and hosts need to then approve each proposed concert. Music Contact International manages this process and is excited to share updates as performances confirm.*

TOUR ENHANCEMENT MATERIALS to help plan, promote, and prepare for your tour

- A custom Traveler's Resource Site (TRS): We build this site specifically for your tour as a resource for travelers to engage in from the start. The TRS is where travelers view the itinerary and watch it develop. There are maps, pictures, packing lists, recommendations for destination-based books and movies, collections of FAQs, and helpful travel links. We'll build your site when your group is registered for this tour!
- A customized Tour Handbook with hourly itinerary, packing tips and lists, practical "Things to Know", destination background, and other fun content. This printed booklet is provided for each traveler about a month before departure.
- A luggage tag, passport/document holder, and outlet adapter for each traveler is also included.

MUSIC CONTACT INTERNATIONAL SERVICES go beyond logistics

- A unique opportunity to make lifelong friends through music and pilgrimage! When we bring groups together, friendships develop that frequently extend to years of heartfelt reunions on tours we plan around the world.
- You are in good hands! We've got 30+ years' experience arranging custom cultural and special interest tours, performance tours and festivals for choirs, bands, and orchestras.

- Our MCI team is the best in the business! We are musicians, teachers, event planners, parents, performers, volunteers, travelers, linguists, athletes, and more, from many countries, sharing our expertise at producing great tour experiences.
- We are right there with you! Often, a person who works on your tour, escorts it. This means your tour manager's expectations for a great program and activities are as high as yours!
- Details are our specialty! Group leaders appreciate our well-organized, user-friendly systems and tools for handling group logistics, payments, and diverse traveler needs.
- You'll love our flexibility! Do some of your travelers need individual flights? Adjoining rooms? Gluten-free meals? We are always glad to help.
- No matter where you live, consider us local! We will travel to meet your group, present the tour, and help you promote and plan for it. We also Zoom, Skype, and video chat.

CONVENIENT ONLINE PAYMENT SYSTEM -*tour accounting has never been easier!*

MCI has a secure, password-protected, online payment site where tour members register and pay for their tour in increments. Reminders and statements are sent electronically; these may be sent to your spam folder so please be sure to mark emails from noreply@music-contact.com as not spam.

Your designated leader is emailed a weekly report on group finances and has access to a portal to view payments at any time. We have a system for handling scholarships and monies from fundraisers as well. If for any reason you prefer to collect payments from your travelers and send us a group payment, that's fine too!

TOUR PACKAGE PRICES *you can rely on*

LAND PACKAGE PRICES:

- \$2,197 per person based on a minimum of 25 paying travelers in double occupancy
- \$2,459 per person based on a minimum of 20 paying travelers in double occupancy

Tour Notes

Flights

Our dedicated flight team works with all major airlines to research preferred schedules and fares. We provide options to choose from and even when flights are booked, continue to monitor your reservation and check on alternative routing, prices, and availability to ensure the best arrangements for this tour.

Hotels

Music Contact International is committed to using only hotels that are reputable, clean, and safe. In most cases, we have personally inspected and stayed at the properties we book and although they vary in amenities to accommodate an array of client budgets, we will not compromise on "stay safe" standards.

To give you a better understanding of accommodations:

Four-star hotels offer above-average service, beautiful reception areas, preferred locations, and more. They are upscale, high-quality, and comfortable, with a variety of amenities. Examples of four-star hotels in the USA: Marriott and Hyatt.

Three-star hotels offer quality, style, and comfortable accommodations, yet they're still considered "affordable". Though not lavish, they offer a simpler option that won't break the bank. Locations vary. Examples of three-star hotels in the USA: Holiday Inn and Hilton.

Two-star rated hotels offer value and few amenities but are clean and basic. They tend to be family-run and may be close to major intersections and popular attractions. Examples of two-star hotels in the USA: Days Inn, La Quinta Inn.

Please note that hotels with suites, family-style, and handicap-accessible rooms can be looked into upon request.

Meals

We arrange group meals that are delicious, well-balanced, and healthy. Food allergies and special diets can usually be accommodated if we know about them in advance, and we will ask for food and menu preferences as we plan your meals. With this said, each individual traveler is ultimately responsible for their own dietary needs and making sure they are staying safe while traveling in accordance with any personal sensitivities or allergies they may have.

Please ask us if you would like additional group meals added to this tour.

Performances

We bring your musical vision for this tour alive! If there is anything you would like us to change regarding musical content, proposed performances or venues, just let us know. We want your feedback and will be glad to discuss and pursue any requests you may have.

All performance arrangements and venue suggestions are pending final confirmation and will be pursued to the fullest extent when the tour has been accepted and placed under deposit.

Instrument rental and transportation

If your ensemble needs rental instruments for their tour Music Contact International can help. It is very important to give us as much advance notice of instrument needs as possible. We will discuss logistics with you in great detail and what it will take to secure, transport, and store any instruments you want to rent or bring with you on tour.

Accompaniment

If your repertoire requires the use of a piano, keyboard, or organ, we'd like to know from the onset and will ask for more details on your tour registration forms. We will prioritize securing venues that have an instrument to use free of charge. Alternatively, we provide information on renting a piano, portable organ, or keyboard including instrument specifications and rental costs. Please note: Certain venues allow only a capella programs.

Rehearsal

For rehearsal time while touring, we should plan in advance. We will reserve space based on your needs.

Ground Transportation

We encourage you to bring all your musicians and friends on tour, and should you exceed the capacity of the motor coach we've included here, we'll provide alternatives for you and exact prices, so please keep us posted on the size of your group.

Also note that extra transfers, changes in itinerary, and additional motor coaching can result in added coach fees. We are happy to quote those costs if they arise in the tour planning process.

Pacing & Mobility

We advise you prepare for walking while on tour. Knowledgeable guides will conduct tours on the motorcoach as well as on foot, and there is always a fair bit of walking in historic city centers where busses cannot access, around castles, palaces, museums, and gardens. Please let us know if there are any limitations to mobility within your group. The more we know, the better we can pace this tour for your travelers' comfort.

PUBLIC SCHOOLS OF BROOKLINE
REQUIREMENTS FOR FIELD TRIP TRANSPORTATION via BUS FORM

Student safety is our highest priority. If your field trip calls for students to be transported by bus, then it is incumbent upon you to determine the safety record of the bus carrier. This form, therefore, should be completed by you - the Public Schools of Brookline employee planning the trip. For questions # 3-5, you can call the bus company to ascertain the answers.

1. What is the name and address of the bus company?

Royal Oostenrijk Touringcars,

<https://www.oostenrijkgroup.nl/en/company/certificates/>

2. Is the selected carrier licensed for passenger transportation by the Federal Motor Carrier Safety Administration (FMCSA)? If so, what is their rating?

To find this rating, visit the FMCSA website at: <http://www.safersys.org>. Scroll to the section marked "FMCSA Searches", and choose "Company Snapshot". Enter company details in the search criteria, find your match and read the report. The safety rating will be found in the last section of the report. You can also click (on the upper right) to the company's insurance profile to help answer #3.

Please indicate the bus company's rating here: _____

NOTE: If the bus company has a "conditional" or "unsatisfactory" rating, you MAY NOT enter into a contract with them to transport our students.
Please make arrangements with another bus carrier.

3. Is the company insured? By whom? Amount of coverage and minimum? Call the bus company and ask them to email you a copy of their *Certificate of Liability*.

Please see attached

4. Have the drivers for this company been through the Criminal Offender Records Information (CORI) registry process, or a comparable out-of-state process, within the last three years?

5. Does the company subcontract? If so, what are the subcontractor's qualifications? Please call the Office

No

of Teaching and Learning (617-730-2432) if you have any questions while completing this form.

LeM File No. 22.0321

Dear Lap,

Thank you for the opportunity for LeMessurier to submit a Fixed Fee proposal for structural and enclosure consulting services for the proposed work at the above-mentioned building.

SCOPE OF CONSULTING SERVICES

This scope of work outlines design services for structural concrete repairs and waterproofing replacement as shown in the 2023-04-06 Brookline High School Tunnel Investigation report, included in the RFQ.

The previous amended proposal included MEP/FP schematic design services by GGD Consulting Engineers, Inc. for scope concerning the MEP/FP piping that will need to be adjusted for making the necessary repairs for the project.

This proposal is amended to include MEP/FP design development, construction documents, and bidding/construction administration services by GGD Consulting Engineers, Inc. for scope concerning the MEP/FP piping that will need to be adjusted for making the necessary repairs for the project.

LeMessurier.

Schematic Design Phase: Under this phase, our team will perform the following tasks:

- Meet all project team members to discuss project strategy and objectives over a virtual teleconference call. After this meeting, we will issue meeting minutes.
- Visit the site to evaluate existing conditions.
- Prepare an evaluation of the project, schedules, and budget for the town's consideration. We will present these for the town's consideration over a virtual teleconference call. After this meeting, we will issue meeting minutes.
- With the town's approval, create design documents consistent with schematic level detailing including annotated plans, elevations, typical details, and a basis-of-design waterproofing assembly. Three physical copies of the plans and budgets will be provided to the Town. We will additionally present this package over a virtual teleconference call. After this meeting, we will issue meeting minutes.

We will coordinate with the MEP/FP consultant to integrate the MEP/FP adjustments into the scope of work.

Design Development Phase: Under this phase, our team will perform the following tasks:

- Create a design development package including annotated plans, elevations, details, and product specifications. We will incorporate any comments provided by the Town on the Schematic Design phase drawing set.
- We include (2) virtual teleconference meetings during this phase. After each meeting, we will issue meeting minutes.
- We will coordinate with the estimating subconsultant to provide a budget estimate at this phase.

We will coordinate with the MEP/FP consultant to integrate the MEP/FP adjustments into the scope of work.

Construction Documents Phase: Under this phase, our team will perform the following tasks:

- Create a 100% bid set package including annotated plans, elevations, details, and product specifications. We will incorporate any comments provided by the Town on the Design Development phase drawing set. Our specification package will include the Town's standard "front end documents," provided by the Town.
- We will coordinate with the estimating subconsultant to provide a budget estimate at this phase.

- We will coordinate with the hazardous materials consultant to provide hazardous materials specifications.
- We include (2) virtual teleconference meetings during this phase. After each meeting, we will issue meeting minutes.

We will coordinate with the MEP/FP consultant to integrate the MEP/FP adjustments into the scope of work.

Bid Phase: Under this phase, our team will perform the following tasks:

- Attend a pre-bid walkthrough with bidding contractors and answer any questions stemming from the walkthrough.
- Review bids submitted by contractors and provide a recommendation to the Town.

We will coordinate with the MEP/FP consultant to integrate the MEP/FP adjustments into the scope of work.

Construction Administration Phase: Under this phase, our team will perform the following tasks:

- Attend a pre-construction conference that will be held on site inclusive of the design team, owner, and the contractor. After this meeting, we will issue meeting minutes.
- Review and provide comment on shop drawings and submittals.
- Review and respond to RFI's from the contractor.
- Review pay requisitions provided by the contractor.
- Visit the site weekly during construction to review the installation. We include (12) site visits assuming a 12-week construction schedule. After each site visit, we will issue a field report documenting completed work and possible deficiencies.
- Attend (12) construction administration meetings to discuss project progress. We intend to line these up with our site visits. Otherwise, these will be virtual teleconference meetings.
- Coordinate with the hazardous materials consultant to provide their construction administration services.
- Perform a final inspection once punch list is completed.

We will coordinate with the MEP/FP consultant to integrate the MEP/FP adjustments into the scope of work.

LeMessurier Exclusions:

- Lift access.

- Excavation services.
- Structural deterioration remediation outside of the areas specifically depicted in the LeMessurier report included with the RFQ.
- Temporary shoring to accommodate concrete remediation work.
- Concrete strength / chloride testing.
- Waterproofing composition testing.

SCOPE OF SUBCONTRACTOR CONSULTING SERVICES

Scope of works and fees are outlined in proposals from United Environmental Consultants, Dharam Consulting, and GGD Consulting Engineers. These proposals are included at the end of this proposal. These proposals are included at the end of this proposal.

FEES

For these services, we propose a fee as broken down below:

	LeM Project Management	LeM Structural Engineering	LeM Enclosure Design	Dharam Cost Estimating	UEC Hazardous Materials Consulting	GGD Consulting Engineers	
Schematic Design	\$3,500	\$6,600	\$7,900	\$3,500	-	\$10,800	
Design Development	\$2,850	\$8,700	\$10,600	\$5,000	-	\$9,100

Note (Additional Fee Breakdown):

- The total increase for this proposal is \$30,100 which increases the overall design fee from \$130,230 as noted in the March 11, 2024 proposal to \$160,330.

- GGD Consulting Engineers is requesting an additional \$26,000 for DD, CD, Bidding, and CA work as outlined in their proposal.
- LeM is requesting an additional \$1,500 for Schematic Design coordination with GGD Consultants. *(Note: This was requested in past March 11 proposal but was not included in Town of Brookline board vote).*
- LeM is requesting an additional \$2,600 for DD, CD, Bidding, and CA coordination with GGD Consultants.

TERMS

This project will be scheduled after the return of the accepted proposal.

Reimbursable expenses for travel, courier services, reproductions, and electronic data transfer are included in this cost.

This proposal is valid for 90 days from the date of this proposal.

We look forward to the opportunity to collaborate with the Town of Brookline for professional structural and enclosure consulting services on this important project.

If you are in agreement, please countersign and return a copy of this letter, which will serve as our authorization to proceed. Please feel free to call if you have any questions.

Very truly yours,

Re: Brookline High School
MEP Engineering Support for Waterproofing (DD-CA Services)
115 Greenough Street
Brookline, MA 02445

Dear Mr. Sacco:

We are pleased to submit our proposal to provide Professional Engineering design and construction phase services for the Brookline High School Waterproofing project, as set forth below.

THE PROJECT

The project, as we understand it, is for the relocation of existing MEP utilities (piping, ducts, wiring, conduits) that need to be relocated and/or temporarily backfled to support the Brookline High School waterproofing project, which will occur during the Summer of 2025.

BASIC SERVICES

1. Under the lump sum fee proposal our basic services include design development, construction documents, services for bidding, and construction administration for the Fire Protection, Plumbing, HVAC, and Electrical (MEP/FP) Systems. The scope of work provided below for the MEP/FP systems is as indicated in the existing conditions reports completed by GGD dated May 15, 2024 (Reference L#88891, 88892, 88893, 88894).
2. HVAC scope of work will include relocating an existing 8" hot water supply main out of the stairway into an adjacent space to allow for structural repairs in location "B" and the relocation/removal and replacement of ductwork in locations "D", "F", "H", and "I".
3. Electrical scope of work includes relocating electrical/ fire alarm/ security and coordinating tel/data with Brookline I.T.
4. Plumbing scope includes relocation or removal and reinstallation of existing hot water, cold water mains and branch lines to accommodate the structural repairs.
5. Fire Protection scope includes removal/ relocation of existing branch lines and sprinkler heads along with new sprinkler heads as required to complete the structural repairs. Any work associated with the fire protection alarm check valve riser is excluded from this proposal and will be considered an additional service.

GGD Consulting Engineers, Inc.

6. Energy modeling for utility company rebate programs, e.g. Advanced Building, etc., LEED Energy Modeling, LEED Documentation, TEDI and/or Passive House compliance documentation is excluded from this proposal.
7. Our project manager and/or engineering staff will attend a reasonable number of conferences and coordination meetings with your staff, other consultants, and the approving authorities, as necessary, to meet the projected design schedule.
8. We will assist in the value engineering process in rendering interpretations of the documents, advising on alternate materials, methods, cost savings, etc. Changes recommended by value engineering are considered an extra service.
9. Once final systems have been determined, and your office has authorized the preparation of construction documents, redesign of the documents to comply with further changes is considered to be an extra service.
10. Documents will consist of AutoCAD or REVIT drawings and typed specifications all in the format prescribed by your office. This proposal assumes that you will furnish the building backgrounds electronically compatible with AutoCAD or REVIT 2024.
11. We will assist in the bidding process in rendering interpretations of the documents.
12. Services during construction include a review of shop drawings; document interpretation and clarification as may be required; and periodic observations of the construction work not to exceed one observation per month during construction and reports thereon. Site observations are to determine general conformance of the work to the intent of the documents. This paragraph is not to be interpreted as requiring our attendance at weekly project meetings.
13. Included in the basic services is the furnishing of .PDF files for purposes of coordination and printing. Out of pocket expenses such as travel, sustenance, and other incidental expenses for routine trips to the project, and for coordination meetings with the design team, is included in the basic fee.

COMPENSATION AND PAYMENT

To provide the above, we propose a lump sum fee of Twenty-Six Thousand Dollars **(\$26,000.00)**.

Payment for the fee shall be made within 30 days of billing. Billings shall be rendered monthly in proportion to the services performed in the preceding 30-day period; however, the total billings shall be in proportion to the overall completion schedule as follows:

Design Development	35%
Construction Documents	75%
Bidding or Negotiating/Construction Admin	100%

PERFORMANCE BOND

Know all persons by these presents, that A & D Services as principal, and _____ as surety, are held and firmly bound unto the Town of Brookline, Massachusetts in the sum of Seventy-seven thousand, five hundred and eighteen dollars and fifty five cents (\$77,518.55) in lawful money of the United States of America, to be paid to the Town of Brookline Massachusetts, for which payments, well and truly to be made, we bind ourselves, our respective heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

Whereas the said principal has made a Contract with the Town of Brookline, acting through its Select Board ("Awarding Authority"), bearing the date of _____ for the construction of Project No.: N/A, Contract No.: PW/24-22, Project Name: Parking Lot Improvements.

Now the condition of this obligation is such that if the principal shall well and truly keep and perform all the undertakings, covenants, agreements, terms and conditions of said Contract and any extensions thereof that may be granted by the Town of Brookline, with or without notice to the surety, and during the life of any guarantee required under the Contract, and shall also well and truly keep and perform all the undertakings, covenants, agreements, terms and conditions of any and all duly authorized modifications, alterations, changes or additions to said Contract that may hereafter be made, notice to the surety of such modifications, alterations, changes or additions being hereby waived, then this obligation shall become null and void; otherwise it shall remain in full force and effect.

In the event that the Contract is abandoned by the Contractor, or is terminated by the Town of Brookline under the provisions of said Contract, said surety shall, if requested in writing by the Town of Brookline, take such action as is necessary to complete the Contract.

In witness whereof we hereunto set our hand and seals this ____ day of _____, 2024.

TO: Building Commission

FROM: Daniel F. Bennett
Building Commissioner 

SUBJECT: Budget Appropriation Transfer

I would like to request an approval of a Budget Transfer for a total amount of \$120,000. This request consists of:

1) \$120,000 from account 2594C210-6C0002 Driscoll School Construction Project to account 25003430-561010 Building School Maintenance Electricity Account.

The transferred monies would be used to offset the extra expense of the electricity needed to run the New Driscoll School Building.

Thank you for your consideration.
