SHAKOPEE LACROSSE

Shakopee Youth Lacrosse Registration Information

Now's the time to get your child registered for Shakopee Youth Lacrosse this summer! Once again in 2018 we will be offering 6U/8U Co-ed and 8U traveling league for boys – both introduced as new programs in 2017. This season we are also hoping to get enough interest to start an 8U girls traveling program! We are excited to be able to offer these younger age levels to get more kids involved in the sport at a young age. If your child has never played lacrosse we are offering a **free Try Lax event at the High School Field House on Saturday February 17th from 9AM – 11AM (Girls: 9AM-10AM, Boys: 10AM-11AM)**. You and your child can come and find out about the sport, what the different levels are and how to get registered. If you register for the summer season before February 14th you will receive a \$25 discount on your registration fees (code: EARLY25).

Below are the age guidelines costs associated for the summer season. Pre-season will start in early March with practices on the new turf at the Shakopee Ice Arena. Look for times for each age group in late February. The official season for 10U and above begins the first week in April and runs through the month of July. For 8U and younger the season will start in May.

Tryouts will be conducted for U10 and above for boys and girls the last week of April with team announcements the week after. Other important dates for pre-season and regular season will be posted on the main Shakopee Lacrosse calendar by the end of February once season dates are finalized with MSLAX and YLM.
