RED SCARF GIRL - A TRUE STORY

It's 1955, and twelve-year-old Ji-Li Jiang has everything a girl could want: brains, popularity, and a bright future in Communist China. But it's also the year that China's leader, Mao Zedong, launches the Cultural Revolution - and Ji-Li's world begins to fall apart.

Over the next few years, people who were once her friends and neighbors turn on her and her family, forcing them to live in constant terror of arrest. And when Ji-Li's father is finally imprisoned, she faces the most difficult dilemma of her life.
