

Reflections in Photography

...

Types of reflections

In puddles

In Lakes/Ponds/Pool/Oceans

In Metal

In Mirrors

In Shiny Surfaces

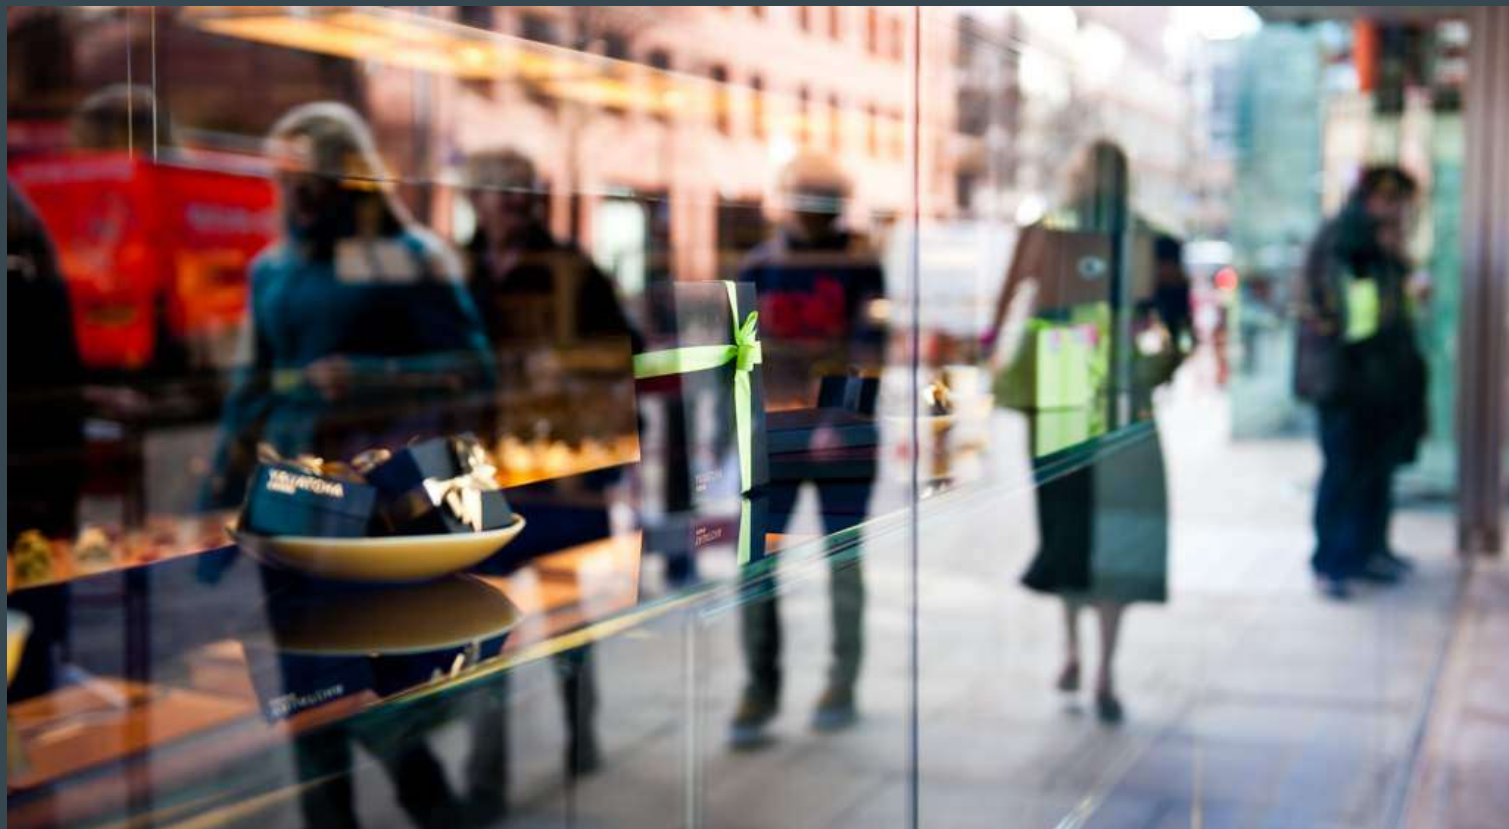

In glasses of water

In Windows

Your Assignment:

Take, edit, and turn in reflections from 2 different categories

- 1) Puddles
- 2) Bodies of water
- 3) Metal
- 4) Mirrors
- 5) Shiny surfaces
- 6) Glasses of water
- 7) Windows

Don't forget everything else you have learned about active choices, rule of thirds, timing, visual organization, shadows, etc. Use those to make as strong an image as possible.
