

# CUTHBERTSON HIGH SCHOOL

2016 - 2017  
Registration

---

**RISING 9<sup>th</sup> GRADE**

# There are many paths after high school!

Time to begin thinking about who you are. High School will help you explore the options.

# IMPORTANT ACADEMIC INFORMATION

---

# YOUR FRESHMAN YEAR

- Your grades now affect your ability to get into colleges. Colleges will admit you based upon
  - GPA (weighted vs. unweighted)
  - Class Rank
  - The rigor of your courses (Honors and AP)
  - ACT / SAT Scores
  - School and community involvement
  - Community service
- Choose rigorous classes that you can do well in.

# Example High School Schedule

FALL 2016 (August – January)		SPRING 2017 (January – June)	
1 <sup>st</sup>	English I	1 <sup>st</sup>	Math I
2 <sup>nd</sup>	Earth Science	2 <sup>nd</sup>	Spanish II
3 <sup>rd</sup>	Horticulture I	3 <sup>rd</sup>	Theatre Arts I
4 <sup>th</sup>	Health and PE	4 <sup>th</sup>	World History

# Graduation Requirements

Every North Carolina high school student must:

- meet the course and credit requirements based on when they entered high school as a ninth grader for the first time
- earn passing scores on three essential End-Of-Course exams: Math I, Biology and English II
- meet any local graduation requirements

# Graduation Requirements - Courses

English	4 Credits I, II, III, IV
Math	4 Credits Math I, Math II, MathIII and a 4th Math Course to be aligned with the student's post high school plans
Science	3 Credits A Physical Science course, Biology, Earth/Environmental Science
Social Studies	4 Credits (Entering HS 2012 or later) World History, Civics and Economics, American History I and II
Second Language	Not required for graduation. However, 2 levels of the same language required to meet minimum application requirements for UNC schools.
Health/PE	1 Credit Health/Physical Education
Electives	2 Credits in Art, CTE or World Language + 4 additional electives.

## **Total Units Required for Graduation: Maximum Potential Minus Four**

You have the max potential of 32 credits (8 credits per year x 4 years)

To graduate you need your max potential minus 4 credits.

$32 - 4 =$  **28 Credits are needed to graduate!**

# Classification/Promotion Standards

Grade Level	Promotion Requirements
Grade 9	Promoted from 8 <sup>th</sup> Grade
Grade 10	6 units including English 1
Grade 11	13 units including English 2
Grade 12	20 units including English 3

# High School Courses Taken in Middle School

State Board of Education policy allows middle school students in grades 6-8 to receive graduation credit for high school mathematics, English and world language courses taken in middle school. To receive credit, students pass the course and score a Level III on any EOC associated with the course, if applicable. The course must conform to the high school course of study and provide 135 hours of instruction.

These courses meet graduation requirements but are not factored in to a student's high school GPA.

## Academic Difficulty of Courses

- **College Prep (CP)** – Course content, pace, and academic rigor follows standards specified by the NCSCOS with content enrichment where appropriate.
- **Honors** - Course content, pace, and academic rigor place high expectations on the student and surpass standards specified by the NCSCOS. These courses demand greater independence and responsibility than Level 3 courses..
- **Advanced Placement**– Course content, pace, and academic rigor are college-level as adopted by the College Board and prepare students to take the AP examinations which *may lead to college credit*.

# Grading Scale and Weighted GPA

Grade	# Grade	CP	Honors	AP
A	90-100	4	4.5	5
B	80-89	3	3.5	4
C	70-79	2	2.5	3
D	60-69	1	1.5	2
F	0-59	0	0	0

# Rigor/Grades vs GPA Example

STUDENT A			
<u>FALL SEMESTER</u>	<u>Average</u>	<u>Grade</u>	<u>Qual. Pts.</u>
BIOLOGY Hon.	92	A	4.5
ENGLISH 2 Hon.	92	A	4.5
Spanish 2	92	A	4
ELECTIVE (CP)	95	A	4
GPA:			4.25
STUDENT B			
<u>FALL SEMESTER</u>	<u>Average</u>	<u>Grade</u>	<u>Qual. Pts.</u>
BIOLOGY Hon.	92	A	4.5
ENGLISH 2 Hon.	87	B	3.5
Spanish 2	92	A	4
ELECTIVE (CP)	95	A	4
GPA:			4.0
STUDENT C			
<u>FALL SEMESTER</u>	<u>Average</u>	<u>Grade</u>	<u>Qual. Pts.</u>
BIOLOGY Hon.	88	B	3.5
ENGLISH 2 Hon.	87	B	3.5
Spanish 2	92	A	4
ELECTIVE (CP)	95	A	4
GPA:			3.75

# Rigor/Grades vs GPA Example

STUDENT D			
<u>FALL SEMESTER</u>	<u>Average</u>	<u>Grade</u>	<u>Qual. Pts.</u>
BIOLOGY Hon.	<b>92</b>	<b>A</b>	4.5
ENGLISH 2 CP.	<b>92</b>	<b>A</b>	4
Spanish 2	<b>92</b>	<b>A</b>	4
ELECTIVE (CP)	<b>95</b>	<b>A</b>	4
GPA:			<b>4.12</b>

Student D was a stronger student in science and then decided to go Honors Biology. Student D was not confident in getting an A in an honors English class so chose to go with CP English 2. This student will have a higher GPA at the end of the Fall over Student B and C in the previous slide.

# Waivers

As you are selecting your courses, you will have the option of selecting CP, Honors, or AP courses. If your grade in a previous course does not meet the recommended grade to take an advanced course, you may be asked to complete a waiver. This waiver will require a parent/guardian's permission to take the advanced course.

You will be notified by a counselor if a waiver is required.

[Waivers are available on the school counseling website](#)

# Pass/Fail Courses

Students will be permitted to enroll in one (1) elective course per school year on a Pass-Fail basis. The course may be in addition to courses that use only a Pass-Fail grading system. However, the student must decide within the first two weeks if the course is to be taken on a pass-fail basis. **NC Scholars may not take a required course on pass/fail status.**

# PASS / FAIL COURSES

	GRADE	Don't Use P/F	Use P/F
Math II Honors	A	4.5	4.5
English II Honors	A	4.5	4.5
French III Honors	A	4.5	4.5
Multimedia Webpage Design	A	4.0	P
GPA		4.375	4.5

Using pass/fail should be on a case-by-case basis. You should run the numbers to see what is most beneficial for your cumulative GPA to determine if P/F is a good idea or not!

# NC Academic Scholars

NC Academic Scholars is a recognition that you may receive upon graduation.

Students must have an **overall four year un-weighted GPA of 3.5** and **complete certain courses** to qualify. Please see your [program of studies](#) to access the NCAS requirements for your class.

# UNDERSTANDING THE REGISTRATION PROCESS

---

# REGISTRATION PROCESS

- Your student will receive a PINK registration card with a report card attached
- Registration card includes core classes and electives
- Please select **8 classes** by marking an X by the course
- Please select **4 alternates** by marking an "A" by the course.
- Students will register on the card AND online in PowerSchool.

# IMPORTANT NOTE ABOUT ALTERNATES

- **Your alternate selections are just as important as your first choices.**
- Please make sure you select courses that you want to take as these courses may appear on your schedule
- Students will be held accountable for their course selections during the schedule change process

# EXPLORING YOUR COURSE OPTIONS

---

# Increasing Course Rigor?

- Are you considering increasing your course rigor from CP to Honors or Honors to AP?
- You are approved for this change if you earned a 90 or above in your previous level of course.
- If you do not meet the 90 or above guideline, then you and a parent must complete a course waiver.

REMEMBER: Choosing more rigorous courses does not automatically increase GPA ; select rigorous courses that you can do well in.

# Health and PE

- All students must have one credit of Health and PE. This is typically a Freshman course. If you have not passed Health/PE you must register for this course!

Health/PE  
(required for all)

# World Language

- World Language is not requirement for graduation, however to meet the minimum requirements for any UNC system school, you **must have a minimum of 2 levels of the same world language.**
- Taking more levels of a world language definitely adds rigor to your transcript. It is recommended that you go as far as you can in a language as long as you can maintain good grades in these courses

# World Language

## 8<sup>th</sup> Grade World Language

- Level 1 - Chinese, French, German, Spanish, Latin (online)

# **Programs and Other Considerations to help you Explore College and Career Options**

# UCPS ACADEMIES and Programs

- Providing students opportunities to pursue their career interests.
- Academies are available to all rising juniors and seniors who are on target to graduate on time. Selection into an academy is application-based. Student may have to travel to another high school for the academy of his/her choice.
- What would this look like?
  - Attend school 1<sup>st</sup> and 2<sup>nd</sup> block
  - Drive to academy school (must provide your transportation)
  - Attend 3<sup>rd</sup> and 4<sup>th</sup> block in your academy
- In PowerSchool, please select “CTE Academy Interest”

# NCVPS / UCV Courses

- NCVPS – North Carolina Virtual Public School
- UCV – Union County Virtual
- NCVPS and UCV courses are all online.
- There is an application.
- If a course is offered in UCV, we will use that format rather than NCVPS.
- NCVPS courses are used when our school/county does not have a course that you want to take.
- [Click here for the NCVPS/UCV Application](#)

# “Doubling Up”

- The only reason to “double up” in a course is to get further along in that subject area and take higher level courses as a junior or senior.
- Students may consider “doubling up” on certain courses (e.g. Math III Honors and Pre-Calculus in the junior year to be able to take AP Calculus during the senior year.)
- If you would like to double up on a core class, please list the second course as one of your alternates.
- Only if space is available in courses will doubling up be considered.

**Please note: Math teachers recommend that if a student wants to double up in math, then the only time to do so is during the year you take Math III Honors and Pre-Calculus.**

# Changing or Dropping a Course

- Students are expected to choose courses carefully at the time of registration to minimize the need to request schedule changes. Students may request a schedule change within the **first 5 days of the semester** by completing the appropriate forms available through the guidance office. All schedule changes are subject to approval by parents and school staff and are dependent on the rationale for the change and the available space in other classes.
