

Riverside Middle School

Registration for the 2025-2026 School Year

Registration for the 2025-2026 school year will be taking place in February and March. Students will be selecting courses with the assistance of our counselors and teachers at school. Parents may also access the registration portal with students at home. We will be posting lots of helpful information on our school counseling site as well as hosting a **Virtual Registration Overview Meeting on February 12th at noon through Google Meet** to make sure that parents have an opportunity to talk with counselors about what to expect with the registration process. Log- in information will be posted on our School Counseling website.

Registration Dates

February 18-21	Current 6 th and 7 th grade students will register for core courses and request essential arts classes. Parents and students will be able to view course requests and teacher recommendations in their student Backpack. Per GCSD policy: NO parent overrides are accepted for middle school courses.
March 3-7	Current 8 th grade students will register for core courses and request elective courses in class with counselors. Parents and students will be able to view course requests and teacher recommendations in their Student Backpack. Please contact teachers with questions regarding course or level recommendations.
March 15	8th GRADE PARENTS ONLY: This is the deadline to complete the parent override form linked on the RMS School Counseling/Registration Help Site website. Parents and students will need to have had a conversation with their subject area teacher before completing the override form.
March 27	Course request letters, with course recommendations and essential arts/elective requests, will be shared with parents for their review. This is the FINAL opportunity to make changes to elective course requests. Signed forms must be returned in person or by email to your student's homeroom teacher by April 5.

Course Override Procedure: 8th GRADE PARENTS ONLY

This procedure is only utilized if a parent or legal guardian wishes to override a teacher recommended course. Parents and students are highly cautioned about using the override process. Teacher recommendations have been established to help ensure students' success.

Step 1	The parent/legal guardian must discuss the teacher's recommendation and parent concern with the teacher on the phone or by email. All teacher contact information may be found on the staff page of the RMS website.
Step 2	Once a conversation has occurred, the parent will complete the online Course Override Form found on the RMS School Counseling website by the March 15 deadline .
Step 3	The school counselor will make the requested change, if space is available, in the course requested. There is a possibility that changes may not be completed/entered before course request letters are sent home on March 27.

Course override requests received after the deadline will be accepted upon principal approval only.
