Steve A. Hunter  
Principal

Dr. Eric L. Cunningham  
Superintendent  
Tyrana B. Battle  
Assistant Superintendent of  
Curriculum and Instruction

To our new Vikings and Parents,

## Welcome to Northwest Collegiate and Technical Academy!

We look forward to having you on campus beginning with the 2020-2021 school year.

To begin your journey, we need you to select your classes for next school year. Northwest is on a 4x4 schedule – which means you will take 4 classes 1<sup>st</sup> semester and 4 different classes 2<sup>nd</sup> semester. On your form, please select one English, one Math, one Science, one Social Studies, one Health/PE and three electives. We also ask that you put an “A” beside two alternate electives (in the event your first choice is unavailable

(Note: When making class selections, please do not select basic unless your child has an IEP that supports the choice)

There is a course description guide as well as other information located on the school website ([www.halifax.k12.nc.us/nw](http://www.halifax.k12.nc.us/nw)) for your reference.

Enclosed in this envelope you will find:

- (1) Halifax County graduation requirements
- (2) Course selection form
- (3) Instructions on putting your class selections in Powerschool

**It is very important that parents review and discuss their child's course selections, including electives to ensure they are taking classes to fulfill the necessary requirements for graduation.**

Once selections have been made:

- (1) You can enter your selections directly in Powerschool (student/parent portal)
- (2) The course selection form can be mailed back to Northwest
- (3) The course selection form can be dropped off at Northwest Mon – Thurs from 9am to 2pm

**Course selection forms need to be returned/information in Powerschool by May 15, 2020**

Although, we can not meet face to face with each student (which is the normal process), the counselor is still available by phone Monday –Friday from 8 to 4, please call 252-308-1450 or (252) 586-4125 with any questions or concerns.

**We look forward to meeting and working with each of you as we endeavor to make your high school experience successful and fulfilling.**

Steve Hunter, Principal  
Angela Sessoms, Assistant Principal

Doreen Tubbs, School Counselor  
Barbara Fitts, Data Manager  
Alfreda Smith, CTE Coordinator
