

West Noble School Corporation Parents,

This past school year, WNSC has been using both Remind and School Messenger to send out announcements. Next year WNSC will be using School Messenger for district and school communications. If you want to continue receiving messages from us, you must sign up for text alerts and/or download the School Messenger mobile app to your phone. The app is not necessary to receive text alerts but it does allow you to manage your account, receive push notifications and receive teacher initiated messages.

SMS Text Opt-In

Parents and Guardians

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

We recommend saving this short code and Caller ID to the contacts on your phone. This will help prevent any 3rd party call blocking systems from interfering with your receipt of important messages sent by the school or district.

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from
your mobile
now!**

**Just send "Y"
or "Yes" to
67587.**

Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

School Messenger App on your Phone

See the link below for App Store and Google Play links

<https://schoolmessenger.com/start>

Instructions

- Download School Messenger from the App Store or Google Play for your phone (Pick the blue School Messenger one).
- Open the App on your phone
- Select Sign-Up. **You must use the same email the school has on file in Skyward**
- Setup your password.
- Open up your email and follow the confirmation email School Messenger sent you to complete the validation process.
- Log into your account with your new credentials.
- You can now manage your account and set up how you want to be contacted within the app.
