

# REMOTE LEARNING DAY CHOICE CARD - GRADE 4

## DIRECTIONS:

Choose one activity from each category to complete.  
Make sure to return this sheet to your teacher to get credit for your remote learning day!

### MATH

Shoot a paper ball into a basket or ring, practice counting by 3's, 4's, 6's, 7's, or 8's

Look at the division problem. Identify the error and describe it.

$$\begin{array}{r} 100 \text{ R } 46 \\ 54 \overline{) 586} \\ \underline{- 54} \phantom{0} \\ 46 \end{array}$$

Show how 10 cookies could be shared between 2, 3, and 4 children. Use fractions to name the amount that each child receives.

#### Math Riddle

Read the clues and answer the attached puzzle. Create your own math riddle to share with a family member.

#### Number Robot

Choose a number between 1-9. Use that number in the attached Number Robot to create a pattern in and out table.

### READING

Choose a book that interests you. Find a comfy place to read. Then, illustrate your favorite scene.

Use a device to record yourself reading.

After you read: choose one question from the fiction/nonfiction question chart.

Read to a sibling or family member for 20 minutes.

Read a recipe and follow those directions while making that recipe.

### WRITING

Write a story about someone going on an adventure. Use words and pictures to tell about what happens!

Use pictures and words to write about what you do each day. Explain what your favorite part of the day is and why.

Write a list of things that you can do during a snowy day.

Illustrate your favorite scene from a book. Write a caption about what is happening in the scene.

Write an acrostic poem about something you would do during a snowy day!

### SEL

Create your own positive affirmation. Write it down and post it somewhere you can see it every day.

Write three sentences describing how you could help a victim get away from a bully.

Write about one of the zones, then draw a picture showing someone in that zone.

Write a story about a time you had to apologize for a mistake.

Tell someone that you are thankful for them and why.

### SPECIALS

Look out a window and draw the scene with as many details as possible. Tell someone at your home about your drawing.

Catching: Find a T-shirt and see how many ways you can toss and catch the T-shirt in the air. Try playing catching with a partner

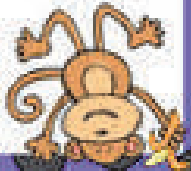

Listen to a piece of music without words. Draw a picture of what it makes you think or feel.

\*For students receiving special education services, contacts will be made by IEP service providers per the students' IEP.
