

# eLearning and Remote Learning Information

## Expectations:

**eLearning** - Students are expected to log in at the designated time that the teacher has specified. Attendance will be taken daily. Students are expected to complete assignments as directed by the teacher. Parents will be notified if their student is not logging in and keeping up with assignments. After two days of a student not logging into class and/or not completing assignments, the teacher will be in contact with the parent.

**Remote Learning** - if all students must go to Remote Learning, as directed by the state or county, we understand that some students will not have daily access to the internet. Students who are unable to attend classes via Schoology as scheduled should make every effort to check in daily for assignments, Schoology Conference recordings, teacher provided videos, and announcements. Access points are available at public libraries, our school (can use from parking lot), and other locations.

## eLearning / Remote Schedule:

*\*These practices will apply if there are no in-person classes due to the state color-coding.*

Students will follow the same daily schedule for eLearning, or Remote Learning, as they would if they were learning "In Person."

Students begin the day with Homebase / 1st Period at 8:00 AM.

Students will have their 4 CORE classes (English, mathematics, social studies, and science) and 1 Related Arts (Music, Art, Wellness, Reading, etc.) class each day, Monday - Friday.

There will be a break at mid day for lunch. Feeding program information will come from Kanawha County Schools.

The school day ends at 2:45 PM.

## Grading:

### Important to note.....

This year is NOT like the Spring and there are requirements and expectations that have to be maintained.

EMS will utilize the Kanawha County School grading scale. Grading periods occur every nine weeks and will be announced on the school calendar. Semester grades will post in January and June. Students must pass six of eight core content classes in order to be eligible for promotion.

### Grade Scale:

**A - 90-100%**

**B- 80-89%**

**C- 70-79%**

**D- 60-69%**

**F- Below 60%**
